AN ANNUAL REPORT TO THE COMMUNITY 2017-18 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2019

PRINCIPAL'S MESSAGE

Greetings Students:

Welcome to Orange Vista High School, the home of the Coyotes! I am honored to serve as your school principal and look forward to getting to know each of you during your time at OVHS. I believe that every student is capable of learning and has gifts and abilities to offer our school, county, state, country, and world. I am proud of our staff that is working hard to create a school in which every student learns and is prepared for life in the 21st century and where every student feels safe, dignified, and accepted. We are excited about the systems and processes in place to support all of our students to ensure learning for each student. My challenge to each of you is to find some type of school activity (athletics, activities, performing arts, clubs, etc.) to involve yourself with and connect to your school. It is my desire that you enjoy your time at Orange Vista High School and will look back with fond memories and experiences. I want you to leave our school prepared to "make your mark" on our community, state, and world; as I believe you can and will accomplish whatever you set your heart and mind to do. Please take some time to review the contents of the academic planner and organizer, as it contains information that will assist you in having a great experience while at Orange Vista. Let's have an enjoyable, memorable, and successful school year together!

In Service,
Mr. Workman

MISSION STATEMENT

The Orange Vista High School staff will work collaboratively and independently to ensure high levels of learning for all students to succeed in the twenty first century.

VISION STATEMENT

To be a school in which the character, talents, abilities, and perseverance of each student is recognized, developed, and celebrated.

SCHOOL SLOGAN

"Enter to learn, leave to achieve; make your MARK"

DISTRICT & SCHOOL DESCRIPTION

Val Verde Unified School District is located in the heart of the Inland Empire, approximately 72 miles east of Los Angeles. Neighboring the district and its communities are March Air Force Base and the Lake Perris recreational area. During the 2017-18 school year, the district's schools served more than 20,200 students residing in the rural and suburban communities of Perris, Moreno Valley, and portions of unincorporated Riverside County. The district currently operates a preschool, 12 elementary schools, 4 middle schools, 3 comprehensive high schools, a student success academy, a virtual academy, and a continuation high school.

During the 2017-18 school year, Orange Vista School served 1,652 students in grades 9-10. Student enrollment included 9.3% in special education, 9.1% qualifying for English learner support and 81.4% qualifying for free or reduced-price meals.

Student Enrollment by Subgroup/Grade Level 2017-18			
Student Group	Enrollment	Grade Level	Students
Black or African American	13.3%	Grade 9	0
American Indian or Alaskan Native	0.4%	Grade 10	608
Asian	0.9%	Grade 11	648
Filipino	1.6%	Grade 12	396
Hawaiian or Pacific Islander	0.4%		
Hispanic or Latino	78.5%		
White	3.8%		
Two or More Races	1.2%		
Socioeconomically Disadvantaged	81.4%		
English Learners	9.1%		
Students with Disabilities	9.3%		
Foster Youth	1.1%	Total Enrollment	1652

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

PARENT INVOLVEMENT

Parent involvement is highly welcomed to support school and student success. Orange Vista High School offers a broad range of opportunities for parents to support the school and their child's academic efforts. Should the need arise, parents are welcome to "sit in and observe" any of their child's classes. Parents seeking more information or who are interested in participating in any of the activities listed below may contact the principal's secretary at (951) 490-4660.

Join Leadership Groups:

- African American Advisory Committee
- Booster Clubs
- District Advisory Council
- English Learner Advisory Council
- Parent Advisory Committee (PAC)
- School Advisory Council
- School Site Council

Attend Special Events & Workshops

- Back to School Night
- Coffee with the Counselors & Principal
- Coyote Showcase (Spring)
- Open House
- Athletic Events
- Student Performances
- Parent Conferences
- Parent Education Workshops (i.e. English as a Second Language Classes)

School-to-home communication is provided in both English and Spanish. The principal issues a paper and electronic school newsletter once every quarter; the newsletter features valuable information on school policy changes, a calendar, special events news, announcements, and helpful student/parent tips. The quarterly newsletter is also published on the school's website. Flyers and memos are occasionally sent home with students for upcoming events and current announcements. The school marquee displays important messages and dates to remember. The school website is a valuable resource for general information on staff, schedules,

activities, and programs. Twitter is used to post reminders and activities going on at the school. Blackboard Connect is the automated parent notification system which is used to quickly broadcast important announcements via telephone to every student's home. Parents may access their student's grades, attendance records, and course progress on the Internet through the district's Parent Access link located at <https://aeriesweb.valverde.edu/pams/> or the new Val Verde phone app.

STUDENT ACHIEVEMENT

DISTRICT BENCHMARK ASSESSMENTS

Val Verde Unified School District uses a variety of tools to evaluate and analyze student learning. District benchmark assessments supplement multiple measures of assessment to identify students' mastery of content, depth of knowledge, and skills. District benchmark assessments are aligned to the California State Standards and are comprised of both formative and summative assessments given in math, reading, and language arts. During the 2017-18 school year, all students in grades 1-5 were assessed multiple times utilizing a system of short-cycle formative assessments to identify content area mastery and specific gaps in the learning process. Students in grades 7-12 were evaluated quarterly throughout the year to determine course grades and levels of content mastery.

Multiple measures of assessment are used to identify student progress, understanding of state content standards, and mastery of subject area matter/concepts. These measures include: state summative assessments, benchmark assessments, grade level/department common assessments, classroom observations, teacher-created assessments, adaptive diagnostic assessments in reading and math, and early indicators of reading assessments. Collectively, the benchmark assessments and multiple measures aid teachers in 1) identifying areas where instruction may or may not be effective; 2) guiding classroom instruction practices and strategies; and 3) identifying students who need targeted academic assistance or intervention. Teachers and administrators are able to pinpoint any deficiencies or gaps in the learning process, identifying very specific skill sets and subject area content that needs to be retaught, reinforced, or revised to ensure every student obtains a solid foundation for future success in learning.

**CAASPP Test Results in ELA & Mathematics by Student Group (Grade 11)
2017-18**

	English Language Arts/Literacy				Mathematics			
	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students Tested	409	401	98.04%	49.13%	409	404	98.78%	16.34%
Male	232	227	97.84%	43.17%	232	228	98.28%	13.60%
Female	177	174	98.31%	56.90%	177	176	99.44%	19.89%
Black or African American	53	52	98.11%	26.92%	53	52	98.11%	5.77%
American Indian or Alaskan Native	--	--	--	--	--	--	--	--
Asian	--	--	--	--	--	--	--	--
Filipino	--	--	--	--	--	--	--	--
Hispanic or Latino	325	320	98.46%	52.19%	325	323	99.38%	17.96%
White	14	14	100.00%	42.86%	14	14	100.00%	21.43%
Two or More Races	--	--	--	--	--	--	--	--
Socioeconomically Disadvantaged	330	323	97.88%	48.61%	330	326	98.79%	16.26%
English Learners	78	74	94.87%	25.68%	78	76	97.44%	2.63%
Students with Disabilities	33	33	100.00%	6.06%	33	33	100.00%	--
Foster Youth	--	--	--	--	--	--	--	--

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

California Assessment of Student Performance and Progress Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students in Grade Eleven						
Percentage of Students Meeting or Exceeding the State Standards						
	OVHS		VVUSD		CA	
	16-17	17-18	16-17	17-18	16-17	17-18
English-Language Arts/Literacy	N/A	49	40	42	48	50
Mathematics	N/A	16	25	27	37	38

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress Test Results in Science All Students						
Percentage of Students Meeting or Exceeding the State Standards						
	OVHS		VVUSD		CA	
	16-17	17-18	16-17	17-18	16-17	17-18
Science (Grades 5, 8, & 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

The 2016-17 data is not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science will be field-tested in 2018-19.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance

in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/cal/.

PHYSICAL FITNESS

In the spring of each year, Orange Vista High School is required by the state to administer a physical fitness test to all students in the ninth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

California Physical Fitness Test Results

2017-18			
% of Standards Met:			
	4 of 6	5 of 6	6 of 6
Grade Level			
Ninth	18.9%	26.2%	33.3%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Orange Vista High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Construction of the original school buildings started in 2014 and were completed in 2016. In addition to the athletic facility includes: two baseball diamonds, two softball diamonds, two soccer fields, a dirt track field, ten tennis courts, and outdoor blacktop courts for physical education activities. Ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff.

2017-18 Campus Improvements:

- Addition of a new building
- Upgrades to the front lobby for security purposes

2018-19 Campus Improvements in Progress:

- Addition of a two-story building with 31 classrooms and one set of student restrooms
- Addition of a stadium with a track

Campus Description

Year Built	2014
Acreage	63
	Quantity
# of Permanent Classrooms	68
# of Portable Classrooms	0
# of Restrooms (student use)	4 sets
Computer Lab	2
Library	1
Multipurpose Room	1
Gym	1

SUPERVISION AND SAFETY

Each morning as students arrive on campus, five district security officers, administration, and the school resource officer circulate throughout the campus and at the main entrance and share the responsibility of monitoring student activities and behavior. During lunch, four administrators, five district security officers, and the school resource officer oversee student behavior and activities in the cafeteria and common gathering

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

areas. When students are dismissed at the end of the day, four administrators, five district security officers, and the school resource officer circulate throughout the campus and monitor exits to ensure students either travel to after-school programs or leave campus in a safe and orderly manner.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and present valid picture identification, obtain and wear a visitor's badge, and then return to the school office upon departure. Orange Vista High School utilizes the Raptor system to assist with visitor identification.

MAINTENANCE & REPAIRS

School custodial staff and the district's maintenance department work together to ensure playing fields, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) continues to employ an electronic work order process to facilitate and improve services to Orange Vista High School. Teachers and school staff communicate unscheduled maintenance needs, urgent repairs, or special projects to designated custodial and office support staff who prepare and submit work orders to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

SCHOOL INSPECTIONS

Orange Vista High School and the Val Verde Unified School District's Maintenance and Operations Department (M&O) work together to ensure student safety and uphold high cleaning standards. M&O supervisors and school administration inspect facilities on a continual basis to identify and resolve concerns in a proactive and timely manner. The most recent facilities inspection at Orange Vista High School took place on July 13, 2018. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2018-19, all restrooms were fully functional and available for student use at the time of the inspection.

DAILY CLEANING PRACTICES

One full-time day custodian, one full-time mid-day custodian, four full-time evening custodians, an athletic technician, and two full-time groundskeepers are assigned to Orange Vista High School and work closely with the principal for routine maintenance, daily custodial duties, and special events. The assistant principal (in charge of facilities) and day custodians communicate as needed regarding campus cleaning needs and safety concerns. Every morning before school begins, the day custodians inspect facilities for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds. Campus supervisors check restrooms after each passing period as part of their tardy sweeps and every ten minutes during the lunch period as a proactive measure to keep restrooms fully stocked, safe, and sanitary.

Custodians are responsible for cleaning campus grounds, classrooms, restrooms, and common areas to ensure facilities remain in good working condition, clean, and safe for students, staff, and visitors. Custodians are required to inspect restrooms a minimum of two times a day and subsequently document restroom inspections in their daily inspection log. All custodians follow approved district standards and procedures for routine custodial functions and campus maintenance. Groundskeepers are on campus once a week and are responsible for general gardening and maintenance work such as trash and debris

removal, landscaping care, irrigation system maintenance, and playing field maintenance.

Each custodian is provided one week of intensive training upon employment. Thereafter, training is coordinated by district maintenance supervisors and custodial staff meetings are held twice annually. Training activities in use of equipment and safety procedures are led by district risk management representatives, vendors, and department supervisors. The district's Operations Supervisor visits Orange Vista High School monthly to review custodial performance, discuss campus maintenance needs with the principal, evaluate conditions of the school facility, and follow up on outstanding work order requests.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Orange Vista High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. The Val Verde Unified School District partners with Hour-Zero for school emergency response planning, management, consulting, and training. Hour-Zero specialists support district and school staff with the ongoing development of a comprehensive emergency preparedness program to address critical components of emergency response planning and compliance with federal and state requirements.

Components of Orange Vista High School's safety plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed and updated in spring 2018, and shared with school staff at the beginning and throughout the school year.

Average Class Size and Class Size Distribution				
Subject	Average Class Size	Number of Classes*		
		1-22	23-32	33+
2016-17				
English	31	2	9	22
Mathematics	25	3	15	18
Science	26	2	9	22
Social Science	31	2	9	9
2017-18				
English	26	21	15	35
Mathematics	28	14	18	29
Science	30	9	10	36
Social Science	31	6	7	35

*Data for 2015-16 is unavailable as the school did not open until 2016-17.

CLASSROOM ENVIRONMENT

CLASS SIZE

The Average Class Size and Distribution table illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students.

DISCIPLINE & CLIMATE FOR LEARNING

Schoolwide behavior expectations and discipline policies are clearly explained to students at the beginning of and throughout the school year. As part of Orange Vista High School's schoolwide behavior expectations students are expected to: 1) develop and exhibit knowledge, respect, tolerance, and acceptance of all cultures, 2) participate and exhibit responsibility in a democratic society, and 3) demonstrate moral integrity and justice.

Orange Vista High School utilizes both the OLWEUS Bully Prevention Program and the Positive Behavior Intervention and Support system. It is designed for all students and is preventative and responsive to any and all acts of bullying. The Positive Behavior Support System will be integrated with OLWEUS bully prevention program. Through the Positive Behavior Support System, our school community will provide intentional structures for student success through positive behavior expectations.

At the beginning of the school year, student conduct, district policies, dress standards, and academic expectations are 1) reviewed in class as part of the orientation process, 2) outlined in the student planner (provided in both English and Spanish), and 3) reinforced during 15 minute yodi lessons (half the semester during announcements) led by the assistant principal and principal. As part of daily announcements during second period, the principal incorporates reminders for students to follow school rules and policies, addressing specific issues or current trends in behavior as needed.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. When students continue having difficulty following school rules, teachers refer students to an administrator for further intervention. Based upon the severity of the behavior, students may be required to develop an Improvement Plan, meet weekly with their counselor, and submit regular progress reports. Discipline measures are consistently applied in a fair and firm manner.

	Suspensions and Expulsions								
	OVHS			VVUSD			CA		
	15-16	16-17	17-18	15-16	16-17	17-18	15-16	16-17	17-18

Expulsions	N/A	0.17%	0.00%	0.17%	0.11%	0.02%	0.09%	0.09%	0.08%

STUDENT RECOGNITION

At the end of each month, teachers nominate a student for all grade levels for the Student of the Month award for demonstrating outstanding academic performance and participating in school activities. The chosen student receives an award during an award ceremony and is invited to one lunch at the end of the year with the principal.

Banquets are held throughout the year to recognize students participating in school sports programs. At the end of each sports season, athletes are invited to a banquet and honored for the efforts in sportsmanship. The performing arts programs sponsor banquets to highlight students' talents and accomplishments. At the end of the school year, students meeting specific academic criteria, participating in two sports, and completing UC/CSU coursework qualify for the Scholar Athlete award.

ENRICHMENT & EXTRACURRICULAR ACTIVITIES

Responsible students are given the opportunity to get involved with other students that share the same interests and develop leadership skills through a variety of elective courses, extra-curricular activities, performing arts groups, sports, and school-sponsored programs. The Associated Student Body offers students the opportunity to model responsibility and leadership, get involved in student affairs, and organize school activities. Orange Vista High sponsors a variety of clubs and extracurricular activities enabling students to explore or develop individual interests and talents, AP Academies, SAT/ACT Test prep; a comprehensive list of sports and clubs is available on the school website and in the school planner. The high school sports program emphasizes good sportsmanship and teamwork through school-sponsored teams for band, color guard, football, basketball, baseball, cheerleading, softball, cross-country, soccer, tennis, track & field, volleyball, and wrestling.

Riverside Community College sponsors a Middle College High Program. Orange Vista High's students may submit an application to participate in the program as early as tenth grade. Candidates are interviewed by college staff as part of the application process. Selected students finish their high school education at Riverside Community College campus and have the opportunity to simultaneously earn an associate of arts/science degree and high school diploma.

DROPOUTS & GRADUATION RATES

Orange Vista High School's teachers and administrative staff are skilled and have developed ways based upon local statistics to detect the early identification of students exhibiting the warning signs and/or behavioral traits that typically lead to dropping out of school. Administrators and teaching staff work collaboratively and participate in workshops to develop plans and strategies on how to close the achievement gaps that commonly exist among students that quit high school. Counselors closely monitor student credit completion to identify those students most at risk of not earning their high school diploma. Intervention strategies used to promote attendance and reduce dropout rates include flex period (30 minutes on Tuesdays & Thursdays), parent conferences, seventh period credit recovery, counseling, independent study, weekly meetings with teachers on a particular subject, concurrent enrollment at community college, middle high college enrollment at Moreno Valley Community College, referral to Val Verde Academy, and referral to the continuation high school. The 2016-17 school year data for Dropout & Graduation Rates is most current information available since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found on the DataQuest web page at <http://dq.cde.ca.gov/dataquest/>.

Note: Orange Vista High School did not have any graduates during the 2016-17 school year as there were no twelfth grade students enrolled.

GRADUATION REQUIREMENTS

Student must accumulate 220 course credits, complete & submit a Free Application for Federal Student Aid (FAFSA) or California Dream Act application, and 40 hours of community service to receive a high school diploma from Orange Vista High School. Alternative methods of acquiring a diploma are available through Val Verde High School, Val Verde Academy, and concurrent enrollment in a local community college for those students who have been unsuccessful in the comprehensive high school environment or have exhausted their opportunities to remain at Orange Vista High School.

Note: Orange Vista High School did not have any graduates during the 2016-17 school year as there were no twelfth grade students enrolled.

CURRICULUM & INSTRUCTION

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Val Verde Unified School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education.

On September 4, 2018, the Val Verde Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No.18-19-14 which certifies as required by Education Code §60119 that 1) textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a standards-aligned textbook or instructional materials, or both, to use in class and to take home, 2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the curriculum frameworks in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. Within a six-week period prior to adoption, parents may preview recommended instructional materials at the district office or the school's office.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2018-19 school year, Val Verde Unified School District certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the California State Standards.

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Val Verde Unified School District are aligned to the California State Standards. The district's Educational Services Department selects staff development concentrations based on principal feedback, teacher survey results, California State Standards, district benchmark assessment results, and state standardized test results.

During the 2017-18 school year, Orange Vista High School held staff development training focused on:

- Capturing Kids Hearts
- CTE Training
- National Science Teachers Association (NSTA)
- Professional Learning Communities
- Response to Intervention (RtI)
- Restorative Practices

During the 2016-17, 2017-18, and 2018-19 school years, Val Verde Unified School District provided professional development on the following topics:

Professional Development Days & Topics	
Three-Year Trend	
2016-17	4 days
<ul style="list-style-type: none"> • Focus on Positive School Climate and Culture • ACCESS and EQUITY • MTSS-Tiered Supports for Breaking Down Barriers • Breaking Down Barriers Through Integrated and Designated English Language Development 	
2017-18	3 days
<ul style="list-style-type: none"> • Future iReady • Planning for Supports within the PLC • Building Classroom Communities • ELA/ELD Reading & Writing Across Content Areas • Deep Dive Electives 	
2018-19	4 days
<ul style="list-style-type: none"> • ELD Designated & Integrated • Department Professional Learning Networks (PLNs) • Department Based PLCs Focused on Secondary Assessment Cycle • Breaking Down Barriers: Return of the Equity & Access Superheroes • Deep Dive Electives • MTSS: Tiered Supports to Breaking Down Barriers 	

Val Verde Unified School District welcomes new teachers and provides intensive training to help them experience success in their new classrooms. For ongoing professional guidance, the district supports new and veteran teachers in developing their teaching skills. California Teacher Induction (CTID) program, a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-

year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the district and Riverside County Office of Education. Professional and subject-specific offerings are consistent with the California State Standards.

Special education staff, resource specialist staff, bilingual aides, and instructional aides receive customized training to support the district's educational programs and develop strategies to increase effectiveness in teaching practices. Classified support staff receive job-related training from department supervisors and district representatives; training activities and workshops are designed to enhance and extend job performance. Long-term substitute teachers may be encouraged to participate in site-sponsored activities to enhance their understanding of Val Verde Unified School District's curriculum and classroom management practices.

SCHOOL LEADERSHIP

Leadership at Orange Vista High is a responsibility shared among the school administrators, counselors, teachers, and parents. Principal Joshua Workman is responsible for the day-to-day operations and overall curriculum. The principal, two assistant principals, and the athletic director work as a team to fulfill the many responsibilities associated with the operations of a comprehensive high school. The school's leadership team, department teams, data teams, and School Site Council share in the decision-making and administrative processes to create an effective and safe learning environment. The school's leadership team, comprised of the principal, two assistant principals, the athletic director, two instructional coaches, the counselor, and department chairs, who meet monthly to collaboratively address concerns brought forward by faculty, the success of individual programs, the school budget, instructional materials, and student assessment data. Team members serve as a liaison to their department teams.

The administrative team, comprised of the principal, assistant principals, instructional math coach, activities director, and athletic director meet weekly to discuss the school calendar, upcoming events and activities, and staff development agendas. Each team member shares in the responsibility to provide oversight of all school programs.

The School Site Council (SSC), consisting of school staff, parents, and students, is a major governing body that meets monthly to address school programs, discuss progress in meeting school goals, and serve as a liaison between the community and school administration. On an annual basis, the SSC is responsible for reviewing and approving the school site plan, safety plan, and budget.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Standards and approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned core program. Orange Vista High School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. Orange Vista High's special education program is staffed by five special education teachers and five special education aides who support six full-day, self-contained special day classes. Two resource specialist teachers and two resource specialist aides provide individual and small group support in the general education environment under the direction of and in collaboration with each student's teachers. Instruction is provided in accordance with each student's IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures that students with disabilities have equal access to core curriculum and to coordinate specially-designed instruction based upon individual academic, social, and behavioral needs.

ENGLISH LEARNER INSTRUCTION

All of Orange Vista High's teachers are certified to provide instruction for students identified as English Learners (EL). Teachers incorporate SDAIE (Specially Designed Academic Instruction in English) strategies into their instructional practices. SDAIE is a method of teaching in English in a manner that allows students to gain skills in both the subject material (i.e., science and social science) and in using English. Based upon their fluency and understanding of the English language, EL students may receive one or more periods of English Language Development (ELD) instruction as a component of their core language arts

curriculum. ELD instruction focuses on reading development, verbal language development, and vocabulary building. As students increase fluency in the English language, Orange Vista High School continues to monitor student performance through ELPAC results, benchmark assessments, district assessments, CAASPP results, Power Up courses, and classroom observation to adjust instruction as needed to ensure continued success in acquiring the English language and proficiency in reading/language arts.

AVID

Orange Vista High School offers the Advancement Via Individual Determination (AVID) program to qualifying students. The program targets students with a grade point average ranging from 2.5 to 3.5, and who may be the first of their family members to attend college. AVID equips students with the skills required to be successful in post-secondary education. Communication skills, writing in particular, are strongly emphasized. Organizational, study, and note-taking skills are key elements of the college preparation process.

SCHOLARS PROGRAM

Orange Vista High School offers a Scholars Program to the top 8% of the class. These students participate in honors classes, AP classes, and attend field trips to colleges. Students are required to have a minimum 3.9 GPA.

INTERVENTION PROGRAMS

Orange Vista High School supports intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. Education Management Teams comprised of school administrators, teachers, and parents work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Formal intervention programs include:

- Support Classes: students new to Orange Vista High School are evaluated on their proficiency level in reading, writing, and math. Students performing below grade level standards are assigned a support class (in lieu of an elective) to help acquire subject matter basics.
- Middle College High Program at Riverside Community College: Students may apply to finish their high school education at the community college to earn their high school diploma and have the opportunity to earn an associate of arts/science degree simultaneously.
- Intervention Counseling: Meets in groups to help students.

•Impact Substitute Teachers: substitute teachers in the morning and in the afternoon provides support to regular classroom teachers who conduct small group intervention in reading and math.

- Math Intervention Classes.
- Weekly Intervention Classes.
- Flex Period: 30 minutes of intervention on Tuesdays and Thursdays.
- Advanced Academic Language: New ELD elective class.

PROFESSIONAL STAFF

SUPPORT SERVICES STAFF

Through close collaboration, high school support staff are instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns. As a participating member of the Riverside County Special Education Local Plan Area (SELPA), Val Verde Unified School District and Orange Vista High School have access to a full complement of professional resources and services to meet the needs of its students.

Academic Counselors and Other Support Staff 2017-18		
	No. of Staff	FTE*
Academic Counselor	3	3.0
Intervention Counselor	1	1.0
Mental Health Therapist	As needed	
Psychologist	1	0.8
Health Technician	1	1.0
Speech Therapist	1	0.2
Nurse	As needed	
Library Technician	1	1.0
Library Clerk	1	1.0
Average Number of Students per Academic Counselor		550.67

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

TEACHER ASSIGNMENT

During the 2017-18 school year, Orange Vista High School had 63 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teacher that grade level, subject area, student group, etc.

Teacher Credentials and Assignments				
	OVHS			
	16-17	17-18	18-19	
Total Teachers	45	63	91	
Teachers with Full Credential	43	63	85	
Teachers without Full Credential	2	5	6	
Teaching Outside Subject Area (with full credential)	0	0	3	
Misassignments of Teachers of English Learners	0	0	0	
Total Teacher Misassignments*	0	0	0	
Teacher Vacancies	0	0	0	
	VVUSD			
	16-17	17-18	18-19	
Total Teachers	833	841	841	
Teachers with Full Credential	805	817	817	
Teachers without Full Credential	28	24	24	
Teaching Outside Subject Area (with full credential)	0	5	5	
Misassignments of Teachers of English Learners	0	0	0	
Total Teacher Misassignments*	0	0	0	
Teacher Vacancies	0	8	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. *Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

COLLEGE PREPARATIONS & CAREER READINESS

As part of the ninth grade orientation process, counselors introduce students to the many options and programs Orange Vista High School offers to ensure students get a head start on their college preparation and work readiness process. Career assessment and interest inventories are integrated into the curriculum and opportunities are provided to explore career options based upon individual interests, aptitudes, and abilities.

ADVANCED PLACEMENT

In 2017-18, Orange Vista High School offered advanced placement courses for those students seeking to qualify for college credit as the school was not open. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

Advanced Placement (AP) Courses 2017-18		
	No. of AP Courses Offered*	% of Students in AP Courses
English	2	N/A
Foreign Language	2	N/A
Mathematics	1	N/A
Science	2	N/A
Social Science	3	N/A
Totals	10	11.4%

Note: Cells with N/A values do not require data.

* Where there are student course enrollments of at least one student.

COLLEGE PREPARATION COURSES

Students are encouraged to take required courses if they plan on attending a four-year college or university. The table below illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments.

UNIVERSITY OF CALIFORNIA

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California website at www.universityofcalifornia.edu/admissions/general.html.

CALIFORNIA STATE UNIVERSITY

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University website at www.calstate.edu/admission/.

CAREER READINESS

Students receive structured career planning guidance from counseling staff regarding post-secondary goals and career planning at least once a year. Students are introduced to Orange Vista High School's career technical education programs, career center, work experience program, regional occupational programs, and workability programs. Career education courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Some classes fulfill a-g entrance requirements for state and university colleges. Orange Vista High sponsors a College Night and an annual Career Fair to increase awareness about and connect students with local educational and professional resources to consider when making post-secondary plans.

Career Pathways Sequences

- Art
- Informational Technology
- Logistics Supply Chain Technology

On-Campus Career Technical Education Courses

- Ceramics
- Drawing & Painting
- Introduction to Computer Science
- Introduction to Manufacturing I & II

Mastery of employment readiness skills and standards are acquired through the use of industry-standard assessments, clinical supervision, end-of-unit exams, and classroom observation. Orange Vista High School participates in and analyzes data from surveys related to AVID and Capstone Courses to evaluate course effectiveness as well as student mastery.

Orange Vista High School collaborates with youth, national, and local organizations to develop career interests and unique opportunities for individual growth. Orange Vista High School is partnered with the University of California, Riverside, to support the Math, Engineering, Science Academy.

Work experience students are partnered with community organizations and employers that provide on-the-job training and mentoring for students 16 years and older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, contact the school's career center. Work experience provides opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

Career technical education (CTE) programs are offered in partnership with the Riverside County Office of Education. A variety of CTE courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education. For more information on career technical programs, high school's career center, a school counselor, www.rcoe.k12.ca.us, or visit the state's career technical website at www.cde.ca.gov/ci/ct/.

SARC DATA & INTERNET ACCESS

DATAQUEST

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Orange Vista High School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to, CAASPP results, Physical Fitness results, Suspensions and Expulsions, Dropout & Graduation Rates, enrollment, and staffing statistics.

PUBLIC INTERNET ACCESS LOCATION

Parents may access Orange Vista High School's SARC and access the internet at any of the county's public libraries. The closest library to Orange Vista High School is the Perris Branch Public Library located at 163 E. San Jacinto Avenue, Perris, CA 92570.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2016-17 school year, Val Verde Unified School District spent an average of \$10,846 of total general funds to educate each student (based on 2016-17 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

	State Average of Districts in Same Category	State Average of Districts in Same Category
	VVUSD	State Average of Districts in Same Category
Beginning Teacher Salary	50,940	49,512
Mid-Range Teacher Salary	82,595	77,880
Highest Teacher Salary	100,259	96,387
Average Principal Salaries:		
Elementary School	135,966	123,139
Middle School	144,374	129,919
High School	140,658	140,111
Superintendent Salary	244,394	238,324
Percentage of Budget For:		
Teacher Salaries	31.0	36.0
Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Pupil	Dollars Spent Per Student				
	OVHS	VVUSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	N/A	N/A	N/A	N/A	N/A
Restricted (Supplemental)	N/A	N/A	N/A	N/A	N/A
Unrestricted (Basic)	N/A	5,400	N/A	7,125	75.8%
Average Teacher Salary	N/A	82,145	N/A	79,665	N/A

Note: Cells with N/A values do not require data.

In addition to general fund state funding, Val Verde Unified School District receives state and federal categorical funding for special programs. For the 2016-17 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- Agricultural Career Technical Education Incentive
- California Clean Energy Jobs Act
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- NCLB Title I, II, III
- Other Federal Funds
- Other Local: Locally Defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Vocational Programs

Note: The California Department of Education issued guidance to LEAs on August 1, 2018 regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.
