AN ANNUAL REPORT TO THE COMMUNITY 2017-18 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2019

PRINCIPAL'S MESSAGE

It is an honor and privilege to welcome you to the home of the Cougars, Vista Verde Middle School! Our students, teachers, staff, and parents have done an exceptional job making Vista Verde one of the most successful middle schools in the area. This is evident by the exceptional programs at Vista Verde, an extremely dedicated hard-working staff, and strong parent involvement and support. Every student is important at Vista Verde and it is our mission to show our students how much we care about their present education, and their future success. Our teachers and staff have been working hard to create a college-going culture at Vista Verde. We have implemented college-going goals through CCGI. Furthermore, it is our priority to provide English Learners and Special Education students with every opportunity to be, not only high school-ready, but college-ready. We are a "Schools to Watch - Taking Center Stage," a national AVID demonstration school, and a Model High Performing school. Also, we have a successful GATE program, a "Jr. Scholars" program, ASB, and a STEAM/MESA program. Additionally, we have a strong partnership with our parent organizations which include PTO, ELAC, SSC, AVID, GATE, Jr. Scholars, and overall parent volunteers. It is our goal to continue this partnership and continue to offer parent workshops through our Parent Resource Center and the annual parent / student symposium.

We are very excited about the myriad of things happening at VVMS as we move forward in the implementation of schoolwide STEAM, and our new Environmental Literacy Center invite you to visit us and witness the Cougar experience where we develop visionary innovators through academic success.

MISSION STATEMENT

To prepare students socially, emotionally, physically, and academically for the challenges they will face in high school. We believe that all students can achieve their full potential. We are committed to providing them a safe learning environment where high expectations are set, diversity is respected, and the opportunity for growth exists. This effort, supported by students, parents, staff members, and community members, values achievement, productivity, and the ability to meet new challenges.

VISION STATEMENT

Vista Verde Middle School is committed to providing equitable access through 21st Century learning experiences for all students. Recognizing the variety of our students' talents and interests, we are dedicated to creating an innovative, safe, and empowering learning environment that celebrates the diversity of cultures found on our campus.

DISTRICT & SCHOOL DESCRIPTION

Val Verde Unified School District is located in the heart of the Inland Empire, approximately 72 miles east of Los Angeles. Neighboring the district and its communities are March Air Force Base and the Lake Perris recreational area. During the 2017-18 school year, the district's schools served more than 20,200 students residing in the rural and suburban communities of Perris, Moreno Valley, and portions of unincorporated Riverside County. The district currently operates a preschool, 12 elementary schools, 4 middle schools, 3 comprehensive high schools, a student success academy, a virtual academy, and a continuation high school.

During the 2017-18 school year, Vista Verde Middle School served 993 students in grades 6-8. Student enrollment included 11.2% receiving special education services, 5.5% qualifying for English learner support, and 76.2% qualifying for free or reduced-price meals.

Student Enrollment by Subgroup/Grade Level 2017-18			
Student Group	% of Total Enrollment	Grade Level	# of Students
Black or African American	27.0%	Grade 6	346

For over a decade Vista Verde Middle School has been offering high quality, award-winning co-curricular and extracurricular programs.

Vista Verde Middle School structures its program to meet the needs of its students in their transitional years between elementary school and high school. Sixth grade students share two teachers and are located in the 6th grade collaborative center. Seventh grade is located in the 7th grade collaborative center, while 8th grade is located in the 8th grade college walkway. Seventh and eighth grade classes follow a departmentalized format complemented with a broad range of elective offerings. One of the electives offered is Advancement Via Individual Determination (AVID), which received an excellent rating from state evaluators. Analyses have shown that 100% of students who participate in the AVID program at Vista Verde Middle School and continue with the program in high school are quickly accepted into their college of choice. Additionally VVMS students are strategically placed in STEAM teams where teachers collaborate and design cross curricular PBL lessons.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation

rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

PARENT INVOLVEMENT

Parent involvement is a vital component to school and student success. Vista Verde Middle School offers a wide variety of opportunities for parents to support the school and their child's academic efforts. Parents seeking more information or who are interested in participating in any of the activities listed below may contact the main school office at (951) 490-4690.

School-to-home communication is provided in both English and Spanish. School information is published and updated on the school's website monthly and includes school policy changes, special events news, announcements, and helpful student/parent tips. Peach Jar and Blackboard Connect, automated telephone message system, are used to quickly forward messages from school staff to each student's home. Parents may access PAMS, a web-based student information system and TeleParent, an automated student information system, to access their student's report cards, course grades, attendance, and homework assignments. The school's brand new electronic marquee is updated frequently with dates of upcoming events and current school news. Flyers and letters are distributed as needed throughout the year to share reminders and event information. Parents can receive information from the districts Val Verde app.

STUDENT ACHIEVEMENT DISTRICT BENCHMARK ASSESSMENTS

Val Verde Unified School District uses a variety of tools to evaluate and analyze student learning. District benchmark assessments supplement multiple measures of assessment to identify students' mastery of content, depth of knowledge, and skills. District benchmark assessments are aligned to the California State Standards and are comprised of both formative and summative assessments given in math, reading, and language arts. During the 2017-18 school year, all students in grades 1-5 were assessed multiple times utilizing a system of short-cycle formative assessments to identify content area mastery and specific gaps in the learning process. Students in grades 7-12 were evaluated quarterly throughout the year to determine course grades and levels of content mastery.

Multiple measures of assessment are used to identify student progress, understanding of state content standards, and mastery of subject area matter/concepts. These measures include: state summative assessments, benchmark assessments, grade level/department common assessments, classroom observations, teacher-created assessments, adaptive diagnostic assessments in reading and math, and early indicators of reading assessments. Collectively, the benchmark assessments and multiple measures aid teachers in 1) identifying areas where instruction may or may not be effective; 2) guiding classroom instruction practices and strategies; and 3) identifying students who need targeted academic assistance or intervention. Teachers and administrators are able to pinpoint any deficiencies or gaps in the learning process, identifying very specific skill sets and subject area content that needs to be retaught, reinforced, or revised to ensure every student obtains a solid foundation for future success in learning.

PHYSICAL FITNESS

In the spring of each year, Vista Verde Middle School is required by the state to administer a physical fitness test to all students in the seventh grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Vista Verde Middle School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1992; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff.

2017-18 Campus Improvements:

- Installation of solar panels in the parking lot
- Additional expansion of the SIRC
- Resurface asphalt covered areas

2018-19 Campus Improvements in Progress:

- Improvements and additions to the ELC
- Addition of lunch tables
- Renovations to the front lobby for security purposes
- Painting of the exterior

Note: Cells with N/A values do not require data.

The 2016-17 data is not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science will be field-tested in 2018-19.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

SCHOOL INSPECTIONS

Vista Verde Middle School and the Val Verde Unified School District's Maintenance and Operations Department (M&O) work together to ensure student safety and uphold high cleaning standards. M&O supervisors and school administration inspect facilities on a continual basis to identify and resolve concerns in a proactive and timely manner. The most recent facilities inspection at Vista Verde Middle School took place on July 18, 2018. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2018-19, all restrooms were fully functional and available for student use at the time of the inspection.

SUPERVISION AND SAFETY

Each morning as students arrive on campus, teachers, administration, and two campus supervisors are strategically stationed throughout the campus to monitor activities and behavior. During the lunch period, the principal, assistant principal, two campus supervisors, and a supervision aide are responsible for monitoring student behavior and activities in the cafeteria and outside lunch area. When students are dismissed at the end of the day, administrators, teachers, and two campus supervisors are assigned to designated areas to ensure students leave in a safe and orderly manner.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and present valid picture identification, obtain and wear a visitor's badge, and then return to the school office upon departure.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Vista Verde Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. The Val Verde Unified School District partners with Hour-Zero for school emergency response planning, management, consulting, and training. Hour-Zero specialists support district and school staff with the ongoing development of a comprehensive

emergency preparedness program to address critical components of emergency response planning and compliance with federal and state requirements.

Components of Vista Verde's school safety plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in fall 2018.

MAINTENANCE & REPAIRS

School custodial staff and the district's maintenance department work together to ensure playing fields, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) continues to employ an electronic work order process to facilitate and improve services to Vista Verde Middle School. Teachers and school staff communicate unscheduled maintenance needs, urgent repairs, or special projects to designated custodial and office support staff who prepare and submit work orders to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

DAILY CLEANING PRACTICES

One full-time lead day custodian, one full-time afternoon custodian, two full-time evening custodians, and one groundskeeper are assigned to Vista Verde Middle School and work closely with the assistant principal for routine maintenance, daily custodial duties, and special events. School administrators and the lead custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the lead day custodian inspects facilities for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds. Custodians, teachers, and campus supervisors inspect restrooms every hour as a proactive measure in keeping restrooms fully stocked, safe, and sanitary.

Custodians are responsible for cleaning campus grounds, classrooms, restrooms, and common areas to ensure facilities remain in good working condition,

clean, and safe for students, staff, and visitors. The custodians are required to inspect restrooms a minimum of two times a day and subsequently document restroom inspections in their daily inspection log. All custodians follow approved district standards and procedures for routine custodial functions and campus maintenance. The groundskeeper is responsible for general gardening and maintenance work such as trash and debris removal, landscaping care, irrigation system maintenance, and playing field maintenance.

Each custodian is provided one week of intensive training upon employment. Thereafter, training is coordinated by district maintenance supervisors and custodial staff meetings are held twice annually. Training activities in use of equipment and safety procedures are led by district risk management representatives, vendors, and department supervisors. The district's Operations Supervisor visits Vista Verde Middle School monthly to review custodial performance, discuss campus maintenance needs with the principal, evaluate conditions of the school facility, and follow up on outstanding work order requests.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Vista Verde Middle School has adopted a schoolwide PBIS discipline plan in alignment with the district policies. School staff support an environment that teaches students, through the daily curriculum, the skills to resolve conflicts and take responsibility for their choices. VVMS teachers, students and staff work collaboratively to create a TASK (trustworthy, accountable, safe & kind) environment.

Behavior management strategies emphasize a proactive, assertive approach to managing disruptive behavior and providing students with opportunities to learn from their mistakes, taking an active role in making better choices.

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Val Verde Unified School District are aligned to the California State Standards. The District's Educational Services Department selects staff development concentrations based on principal feedback, teacher survey results, California State Standards, district benchmark assessment results, and state standardized test results.

During the 2017-18 school year, Vista Verde Middle School held staff development training focused on:

- 21st Century Learning
- Actively Learn
- Chromebook Training
- Close Reading
- Common Core State Standards
- Equity Professional Learning
- Focus Notetaking
- GOORU
- Google Classroom
- Instructional Practices Planning
- Interactive Notebooks
- iReady
- OLWEUS Bully Prevention Strategies
- PBIS Training
- Professional Learning Communities
- Project Based Learning
- RCD Give'em 5
- STEAM
- Student Engagement Strategies
- Technology

During the 2016-17, 2017-18, and 2018-19 school years, Val Verde Unified School District provided professional development on the following topics:

Expulsions	0.20%	0.39%	0.09%	0.17%	0.11%	0.02%	0.09%	0.09%	0.08%

At the beginning of the school year, school rules, district policies, and academic expectations are 1) outlined in the "Binder Reminder", 2) shared by teachers as part of their classroom orientation process, and 3) reinforced at grade level meetings. School administrators and teaching staff remind students throughout the year to conduct themselves in a safe and respectful manner. School rules and discipline policies may be reinforced during Cougar TV announcements (morning school television broadcast), and at grade level behavior assemblies.

Vista Verde Middle School utilizes both the OLWEUS Bully Prevention Program and the Positive Behavior Intervention and Support system. The OLWEUS bully prevention program is a preventative program which requires active participation from all members of our school community. It is designed for all students and is preventative and responsive to any and all acts of bullying. The Positive Behavior Support System will be integrated with OLWEUS bully prevention program. Through the Positive Behavior Support System, our school community will provide intentional structures for student success through positive behavior expectations.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship and appropriate interventions are not effective. When students continue having difficulty following school rules, teachers refer the student to the assistant principal. In some instances, teachers use the "buddy system" and provide a temporary place for students to compose themselves or quietly reflect upon their behavior. Interventions, consequences, and disciplinary action are based upon the student's past behavioral trend and severity of infraction. Discipline measures are consistently applied in a fair and firm manner.

In addition to core classes, students participate in a 27-minute advisory period four days a week and a 22-minute anti-bullying period once a week. Teachers use this time to deliver character education lessons, bully prevention lessons and activities, college prep and career exploration activities, academic and behavioral intervention, and academic enrichment. Character education lessons are reinforced at thematic assemblies throughout the year. School administration and counselors lead presentations addressing social and behavioral topics such as bullying, good decision-making, sexual harassment, the importance of academic success, and preparing for high school.

Responsible students may participate in Vista Verde Middle School's peer mediation program. The assistant principal meets with participating students periodically to provide guidance and training on how students can assist peers with minor social issues. Students seeking the services of a peer mediator are directed to the counseling office to request services.

CLASS SIZE

The Average Class Size and Distribution table in this report illustrates the distribution of class sizes in each core subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students.

STUDENT RECOGNITION

Through the PBIS model staff members frequently reward and encourage students exhibiting positive behavior, academic achievement, and improvement. Students who exhibit positive behavior and have completed assignments documented in their Binder Reminder are eligible for Cougar Awards, enabling the bearer to go to the front of the lunch line. Honor Roll and End of Year Cougar Medallions are presented to students who excel in academics, citizenship, and attendance. Cougar Cash is distributed to students "caught" demonstrating kindness and good citizenship; Cougar Cash is redeemed in drawings for special incentives and privileges. Advisory release is for students who demonstrate positive behavior and the expected GPA.

EXTRACURRICULAR ACTIVITIES

Structured activities outside the core curriculum promote positive attitudes, self-esteem, and encourage mental as well as physical fitness. Vista Verde Middle School supports a physical education program providing students with outdoor activities. Vista Verde Middle School provides a variety of opportunities for students to explore their interests and talents in an elective course or after-school activity. Electives and extracurricular activities include over 20 clubs, 4 sports seasons, 5 academic programs, and over 20 electives. Additionally, all special education students participate in Universal STEAM classes through the ELC.

Val Verde Unified School District welcomes new teachers and provides intensive training to help them experience success in their new classrooms. For ongoing professional guidance, the district supports new and veteran teachers in developing their teaching skills. California Teachers Induction (CTID) program, a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the district and Riverside County Office of Education. Professional and subject-specific offerings are consistent with the California State Standards.

Special education staff, resource specialist staff, bilingual aides, and instructional aides receive customized training to support the district's educational programs and develop strategies to increase effectiveness in teaching practices. Classified support staff receive job-related training from department supervisors and district representatives; training activities and workshops are designed to enhance and extend job performance. Long-term substitute teachers may be encouraged to participate in site-sponsored activities to enhance their understanding of Val Verde Unified School District's curriculum and classroom management practices.

SCHOOL LEADERSHIP

Leadership at Vista Verde Middle School is a responsibility shared among the school administrators, counselors, teaching staff, department chairs, program leaders, and parents. The principal and assistant principal work as a cohesive team, sharing many of the responsibilities associated with running an effective middle school. The school's leadership team, comprised of the principal, assistant principal, counselors, department chairs, and any other staff members who would like to participate, meets bimonthly to collaboratively address student progress, evaluate the curriculum, and resolve school issues and concerns related to school climate and culture. Team members and other participants share information relating to student achievement, teaching practices, curricular programs, and testing. Department chairs are responsible for serving as a liaison to their respective departments and programs.

The School Site Council (SSC), consisting of teachers, school administrators, classified staff, parents, and students, is a major governing body that meets monthly to address school programs, discuss progress in meeting school goals, and serve as a liaison between the community and school administration. On an annual basis, the SSC is responsible for reviewing and approving the school site plan, safety plan, and budget.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Val Verde Unified School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education.

On September 4, 2018, the Val Verde Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 18-19-14 which certifies as required by Education Code §60119.1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a standards-aligned textbook or instructional materials, or both, to use in class and to take home, 2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the curriculum frameworks in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. Within a six-week period prior to adoption, parents may preview recommended instructional materials at the district office or the school's office.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2018-19 school year, Val Verde Unified School District certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the California State Standards.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Standards and approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned core program. Vista Verde Middle School structures its

educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. Vista Verde Middle School's special education program is staffed by two special education teachers who work in a collaborative model and provide full-day instruction in three self-contained special day classes. Two resource specialist teachers provide individual and small group support in and outside the general education environment in conjunction with classroom teachers. Seven special education aides provide assistance to both special day class and resource special programs under the direction of special education and general education certificated teachers.

Each student is provided instruction based upon their IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures that students with disabilities have equal access to core curriculum and educational opportunities and is used to coordinate specially-designed instruction based upon individual academic, social, and behavioral needs.

ENGLISH LEARNER INSTRUCTION

All of Vista Verde Middle School's teachers are certified and trained to provide instruction for students identified as English Learners (EL). Beginning level EL students may receive one or two full periods of English Language Development (ELD) instruction as a component of their regular language arts curriculum. Using Houghton Mifflin *Collections* curriculum, ELD instruction focuses on reading development, verbal language development, and vocabulary building. As students increase fluency in the English language, Vista Verde Middle School continues to monitor student performance through ELPAC, benchmark

AVID (ADVANCEMENT VIA INDIVIDUAL DETERMINATION)

As a National AVID demonstration school, Vista Verde Middle School offers the Advancement via Individual Determination (AVID) program as an elective to qualifying students. The program targets students with a grade point average ranging from 2.5 to 3.5, and who may be the first of their family members to attend college. AVID equips students with the skills required to be successful in post-secondary education. WICOR strategies, are strongly emphasized. Organizational, study, and note-taking skills are key elements of the college preparation process. AVID students are placed in Honors classes.

JUNIOR SCHOLARS PROGRAM

Vista Verde Middle School offers an exclusive program for accepted high achieving students. This program offers pre-AP classes and rigorous academic electives. The goal is to prepare students for high school AP classes, gain acceptance to the high school scholar program, and be successful in higher education.

GIFTED AND TALENTED EDUCATION

Vista Verde Middle School offers a Gifted and Talented Education program for students who have been recognized as high achievers by their teachers and through district testing. Both GATE and non-GATE high achievers are placed in advanced, college prep classes. GATE students are invited to participate in after-school enrichment three days a week. Activities include shark dissection, cougar swag, dance team, field trips, and other activities.

INTERVENTION PROGRAMS

Vista Verde Middle School supports intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. RtI (Response to Intervention) and Mtl (Multi-Tiered Instruction) Teams comprised of school administrators, teachers, and parents work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Embedded into the regular school day, formal intervention programs include:

- Academic Intervention & Enrichment: a 27-minute advisory period based on PBIS. Mtl students have access to a three-tiered support system which provides remediation, intervention and enrichment. (8th Grade)
- On Campus Behavioral Intervention Program: includes a three-tiered leadership class for at risk students.
- Reading/Math/Writing Intervention Classes for Sixth Grade: Students are tested at the end of each year to identify gaps in basic skills in reading and math. Identified students are placed in reading and or math intervention classes in lieu of elective coursework. Certificated teachers provide intensive, targeted instruction to help students acquire the skills and concepts to reach state and district proficiency levels.
- THINK Together: Voluntary after-school program provided five days a week. Students are engaged in a highly structured program that provides homework assistance, tutoring, enrichment, recreational activities, and sports. The program is offered daily after school until 6:00 p.m. for qualifying students.

• Impact Substitute Teachers: Substitute teachers in the morning and in the afternoon provides support to regular classroom teachers who conduct small group intervention in reading and math.

• iReady Diagnostic & Progress Monitoring

SUPPORT SERVICES STAFF

Support services staff consist of counselors, psychologists, nurses, health technicians, and special education service providers. Through close collaboration, this expert team is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

Counselors are responsible for monitoring student progress, social skills presentations, and working with students and their parents to identify the barriers interfering with the learning process. The psychologist assists with academic, social, and emotional issues; provides assessments to determine eligibility for Special Education services; and facilitates coordination of Individual Education Plans (IEP). The school nurse conducts health screening programs. Health technicians provide basic aid. As a participating member of the Riverside County Special Education Local Plan Area (SELPA), Val Verde Unified School District and Vista Verde Middle School have access to a full complement of professional resources and services to meet the individual needs of its students with disabilities.
