## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

### District Mission Statement

Our mission is to enrich, empower and enhance our students' lives through education.

### District Vision Statement

Palo Verde Unified School District will constantly seek to improve its culture of academic excellence.

We expect every student to read, write and calculate competently.

We expect every teacher to apply consistent standards, evaluate student performance accurately, and coach students with diligence and compassion.

We expect every parent, student and teacher to support the mutual quest for excellence. Educational progress can never happen without truth as its foundation, and it is to the wonderful truth of student potential and the challenging truth of student performance that we are unalterably committed.

### School Mission Statement

We strive to ensure our students will become proficient in academics, be prepared for further learning and develop a concept of self-worth in the process of becoming responsible citizens who respect others.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	23	26	24	123
Without Full Credential	4	3	3	16
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	3

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** September 17, 2019

All textbooks used in the core curriculum throughout the Palo Verde Unified School District are aligned to the California Curriculum Frameworks and Content Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are approved by the board of trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption. Site-level and district-level committees meet to select textbooks and instructional materials. Every student including English learners have access to their own textbooks and instructional materials.

On September 17, 2019, the Palo Verde Unified School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English learners, in the district.

The board of trustees adopted a resolution which certifies, as required by Education Code Section 60119:

1. Each student in each school in the Palo Verde Unified School District has standards-aligned textbook(s) or instructional materials, or both, to use in class and to take home.
2. Sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the Curriculum Frameworks in mathematics, science, history-social science, and English language arts, including the English-language development component of an adopted program.
3. Sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.
4. Sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12, inclusive. The California Department of Education requires the most recent information to be provided regarding instructional materials; data collected and disclosed in this report regarding instructional materials was acquired September 17, 2019.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	Wonders (K-5); StudySync/McGraw-Hill (6-8)	Yes	0
<b>Mathematics</b>	EnVision, Pearson (K-5); Go Math!, Houghton Mifflin Harcourt (6-8)	Yes	0

## School Facility Conditions and Planned Improvements (Most Recent Year)

Ruth Brown Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. School facilities are all up-to-date and provide adequate space for students and staff. Ruth Brown Elementary School was built in 1956. Since that time, new buildings have been constructed, portables have been added to accommodate enrollment growth, and existing buildings have been updated. Several years ago, the campus was completely renovated and modernized to accommodate existing and future needs. During the 2005-06 school year, Ruth Brown Elementary School's campus improvement projects included modernization of restrooms in the cafeteria to meet current Americans with Disabilities Act (ADA) requirements and the installation of a shade structure on the north side of campus in the dismissal area. The campus is cleaned by a daytime and an evening janitorial staff.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** 11/12/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	Broken Outlet.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Fair	One loose toilet.
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	Paint peeling off equipment brackets. Worn swing seat.
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	Good	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	28	28	29	34	50	50
Mathematics (grades 3-8 and 11)	15	17	17	20	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

#### Grades Three through Eight and Grade Eleven (School Year 2018-19)

Foster Youth	--	--	--	--	--
Homeless					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

Parents and community members are caring and committed individuals who support the education program at Ruth Brown Elementary School. Along with the School Site Council (SSC) and English Learner Advisory Committee (ELAC), board members, community service organizations, and parent volunteers dedicate time to volunteer in the classrooms. Community organizations and area businesses contribute incentive rewards for academic excellence and good citizenship. Monthly assemblies and school activities are also offered on campus to help guide parents in their effort to improve their child's education and social development. Parents are also encouraged to join our Parent Teacher Organization. This group fund raises to provide extra items for the school. They also work to provide activities for student involvement, such as dances, fall festivals, multicultural events, and movie nights. The partnerships developed between the school and community volunteers and organizations enhance the experience of all the students at Ruth Brown Elementary.

Parents and students are able to keep updated and informed by viewing our school website at [www.pvUSD.us/rbes](http://www.pvUSD.us/rbes). On the site, one may access school information such as our parent handbook. Ruth Brown also uses Aeries Parent Connection, which allows parents to view grades and attendance online. Ruth Brown Elementary also has a Facebook page called Ruth Brown Bears. Parents are encouraged to join this closed group. We also use a school wide recorded telephone message system to inform parents of emergency situations and general school information.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Expulsions	0.0	0.0	0.1	0.0	0.0	0.4	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

A comprehensive school safety plan was initially developed for Ruth Brown Elementary in collaboration with local law enforcement and fire protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Ruth Brown Elementary School's most current safety plan was reviewed by the Safety Committee in February 2020. The principal subsequently met with staff members who are assigned to key responsibilities to share updates and action plans in the event of an emergency. A school wide staff meeting was held in the fall covering the updated school site plan and emergency procedures. An updated copy of the school safety plan is available to the public at the Palo Verde Unified School District office and at the school's office.

Percent Difference - School Site and State	N/A	N/A	-44.8	-0.9

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## Types of Services Funded (Fiscal Year 2018-19)

For the 2018-19 school year, Ruth Brown Elementary received state and federal funding for the following categorical, special education and support programs:

- Title I
- Title III Limited English Proficient Student Program

Using various tools including state assessment results, teachers and administrators can identify students who are struggling or at risk of falling behind. For those students who need extra help in any subject area, Student Study Teams pull together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance.

Small group and one-on-one instruction is provided by teachers to support students in academic areas of need. In K through eighth grade, aides are provided to intervene in reading.

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on chapter and end-of-unit tests to determine progress toward achieving proficiency levels, ongoing progress and instructional needs.

English learners (EL) are identified through the English Language Proficiency Assessments for California (ELPAC) and home language survey.

Ruth Brown Elementary uses English in a Flash curriculum and the McGraw-Hill series for ELD and reading intervention instruction for grades K-5th and StudySync series for ELD and reading intervention instruction for grades 6th-8th. English learners are assessed annually to measure English-language acquisition and adjust reading level and ELD needs accordingly.

Palo Verde Unified School District combines efforts with school site administration to provide training and curriculum development which revolves around the California State Curriculum Frameworks as well as Common Core State Standards. Teachers align classroom curriculum to ensure all students either meet or exceed state proficiency levels.

During the last 3 school years, teacher-training activities focused on the following:

- Professional Learning Communities
- Checking for understanding
- Sexual harassment
- Response to Instruction and Intervention
- School wide positive behavior support
- Math intervention
- Common Core State Standards
- Step Up to Writing
- Google Classroom
- Direct Interactive Instruction
- Aeries training
- Acadience and 95% group
- MyOn
- Data Analysis
