Mr. Steve Nagle - Member

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Profile (School Year 2014-15)

Kingsburg Independent Study High is one of three high schools in the Kingsburg Joint Union High School District. Curriculum is focused on the California Standards in each content area. The school supports cultural awareness in many ways that include, but are not limited to: reading culturally diverse literature selections in English class, the study of cultures, histories and influences in World History.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Highly Qualified Teachers (School Year 2013-14)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

NCLB Compliant Teachers

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies			
	12-13	13-14	14-15
Misassignments of Teachers of English Learners	0	0	0

School Facilities (School Year 2014-15)

Kingsburg Independent Study High was originally constructed in 1994 and is comprised of 2 classrooms 1 staff lounge, 1 computer lab. Cleaning Process: The principal works daily with the custodial staff of 5 (4 full-time and 1 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

Instructional Materials (School Year 2014-15)

Kingsburg Joint Union High District held a public hearing on September 8, 2014, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. On March 7, 2014, the U.S Department of Education (ED) approved California's waiver request for flexibility in assessment and accountability provisions of Title I of the Elementary and Secondary Education Act (ESEA). Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in science (for grades 5, 8, and 10), for the most recent three-year period.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/language arts, mathematics, and social science, for the most recent three-year period. NOTE: CST was last administered in 2012-13.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

The table displays the school's API ranks and actual API point changes by student group for the past three years.

UC/CSU Course Completion

Students at Kingsburg Independent Study High are encouraged to take University of California/California State University (UC/CSU) A to G preparatory courses in order to provide them with the option to attend a four-year university. All students must pass each course with a grade no lower than a 'C'. It is our goal to ensure that all students have as many post secondary options as possible and by insisting on a rigorous curriculum for all students hope to increase each students options upon high school graduation.

To view the Kingsburg High School courses that are on the UC/CSU A-G list you may log on to www.ucop.edu/doorways/list

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

Physical Fitness (School Year 2013-14)

In the spring of each year, each school is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives. Results of student performance are compared to other students statewide who took the test.

California High School Exit Examination (CAHSEE) Results for All Grade Ten Students (School Year 2013-14)

The California High School Exit Exam is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English language/arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement. The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years. The second table displays the percent of students, by group, achieving at each performance level in English language/arts and math separately for the most recent testing period.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school-site.

Parent Involvement (School Year 2014-15)

Kingsburg Independent Study High greatly benefits from its supportive parents who generously give of their time and support their student's success. Each parent knows that they can contact the school and they are willing to make appointments with administration and school staff. Some of the reasons that parents participate include; Student progress meetings, student recognition breakfast's and at the end of the each semester barbeque.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Kingsburg Independent Study High at 559-897-3880.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout & Graduation Rates (Four-Year Cohort Rate)

Kingsburg Independent Study High believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: academic and personal counseling, academic interventions. We also offer flexibility for students to earn a diploma through one of our three programs: Continuation High School, Independent Study Program, and Adult Education.

Graduation & Dropout Rates			
	10-11	11-12	12-13
Dropout Rate	-	50.0%	44.4%
Graduation Rate	-	50.0%	50.0%

Completion of High School Graduation Requirements - Class of 2013

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs> Note: "N/A" means that the student group is not numerically significant.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Students at Kingsburg Independent Study High are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of Kingsburg Independent Study High discipline program is to provide an environment that is safe and conducive to learning. Parents and students are informed of school rules and discipline policies through the Parent/Student Handbook which is sent home at the beginning of the school year. Expulsions occur only when required by law or when all other alternatives are exhausted. Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems.

The school recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements during staff/student/parent breakfasts that are held each semester to celebrate student achievement and other student based incentives that celebrate student achievement.

	Suspensions & Expulsions

Expulsion Rate	0.0%	0.0%	0.0%	2.5%	2.0%	2.6%

Safe School Plan (School Year 2014-15)

Safety of students and staff is a primary concern of Kingsburg Independent Study High. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Safety Plan is reviewed and updated annually. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held as needed. Students are supervised before and after school by certificated staff, and certificated staff supervise students during lunch. Certificated staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors are required to report directly to the office upon entering campus.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Adequate Yearly Progress (School Year 2013-14)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		District	
	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Met AYP Criteria	Yes	Yes	Yes	Yes
Participation Rate	No	Yes	No	No
API School Results	N/A		N/A	
Graduation Rate	N/A		Yes	

Federal Intervention Program (School Year 2014-15)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Advanced Placement Classes (School Year 2013-14)

Kingsburg Independent Study High encourages students to continue their education past high school. Kingsburg Independent Study High does not offer Advanced Placement (AP) courses. This is due to the fact that our focus is working with students that are deficient credits and still have the opportunity to earn a high school diploma.

Class Size

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.

Class Size Distribution												
Average Class Size	Classrooms Containing:											
	1-20 Students			21-32 Students			33+ Students

Counseling & Support Staff (School Year 2013-14)

It is the goal of Kingsburg Independent Study High to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:50. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Academic Counselor	1	.5
Assistant Principal	1	.5
Attendance Clerk	1	.5

Staff Development

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. The district dedicated 30 days to staff development annually for the past three years. Topics for staff development included: differentiated instruction, the use of data to inform instruction, increasing parent communication, and utilizing research based instructional strategies across all curricular areas. The district dedicates three full days and four "foggy in-service" days to staff development annually.

Teacher & Administrative Salaries (Fiscal Year 2012-13)

The chart displays district salaries for teachers, principals, and superintendents and compares these figures to the state averages for districts of the same type and size. Teacher and administrative salaries as a percent of a district's budget are also listed.
