### **School Description**

West High School (WHS) was established in 1965 and is located at 1200 New Stine Road, Bakersfield, California. WHS is one of eighteen comprehensive high schools in the Kern High School District (KHS) and is located in metropolitan Bakersfield in Kern County. The school is comprised of 77 permanent classrooms, a library, a 600-seat auditorium, 2 small conference rooms, food services area, lockers, eating areas, and a gymnasium (1,500-seat capacity). The staff consists of a principal, two assistant principals, a dean, a coordinator for Title I and ELL programs, directors for athletics and activities, six counselors, 84 certificated teachers and 50 classified employees. Our certificated staff is relatively young and energetic; we believe the staff is a positive, cohesive team focused on success. Currently the ethnic make-up of the teaching and support staff is 62% White, 22% Hispanic, 14% African-American, and 2% Asian. We are committed to powerful teaching and learning. Student success and learning is the driving force behind every decision that we make. Teachers, administrators, instructional assistants, campus security personnel, food service workers, custodians, clerical, coaches and all other staff support our school's philosophy of creating the right opportunity for every student to succeed.

Our population has changed dramatically as the city has grown and district boundaries have been re-drawn. At one time, WHS was a neighborhood school that served the city's middle-to-upper class families. Now, the surrounding areas are comprised of a business district, a retirement residential area, apartment complexes, and several low-income and Section 8 housing developments. The current population reflects both the lower socioeconomic levels surrounding the school as well as at-risk population that is bussed from a significant distance. West High School serves two feeder school districts, Bakersfield City (Curran Junior High School and Sequoia Middle School) and Panama Buena Vista Union (Thompson and Actis Junior High Schools). We have a diverse student enrollment of about 2,050. Currently, the student body demographics are 65% Hispanic, 12% White, 13% African-American, 2% Asian, and 1% American Indian, 1% Filipino and 1% other. The English Learner (EL) population represents 17% of our enrollment. Approximately 85% of our students are eligible for the Free or Reduced Lunch Program; this is an increase of over 55% in the last fifteen years.

West High School has been effective in developing programs to meet the needs of our diverse student population. The school meets the wide array of needs by offering programs such as Honors and Advanced Placement (AP), Gifted And Talented Education (GATE), Advancement Via Individual Determination (AVID), Title I Support, English Learners, Migrant, Opportunity, Retention, 9th grade repeat Intervention, Agriculture, NJROTC, Independent Study, Home Hospital, Kern Learn, the district's on-line learning school and Special Education.

Specifically, the adopted Mission and Visions statements are:

#### **West High Vision Statement:**

We believe that through the creation of a results oriented culture where staff members work collaboratively to focus on student learning, all students can be academically, socially, and emotionally prepared to thrive in the 21st century.

#### **West High Mission Statement:**

The mission of West High School is to provide the programs and services to make it possible for all students to graduate on time with a high school diploma and prepared to succeed in the workplace or in collegiate studies.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	645
Grade 10	498
Grade 11	467
Grade 12	417
<b>Total Enrollment</b>	<b>2,027</b>

2015-16 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	13.5
American Indian or Alaska Native	0.6
Asian	1.8
Filipino	1.4
Hispanic or Latino	65.6
Native Hawaiian or Pacific Islander	0.2
White	12.8
Two or More Races	2.1
Socioeconomically Disadvantaged	86.6
English Learners	11.1
Students with Disabilities	10.1
Foster Youth	0.9

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
West High School	14-15	15-16	16-17
With Full Credential	83	79	86
Without Full Credential	1	3	3
Teaching Outside Subject Area of Competence	0	0	0
Kern High School District	14-15	15-16	16-17
With Full Credential	♦	♦	1,872
Without Full Credential	♦	♦	18
Teaching Outside Subject Area of Competence	♦	♦	14

Teacher Misassignments and Vacant Teacher Positions at this School			
West High School	14-15	15-16	16-17
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Core Academic Classes Taught by Highly Qualified Teachers

2015-16 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	91.5	8.5
Districtwide		
All Schools	94.0	6.1
High-Poverty Schools	93.6	6.4
Low-Poverty Schools	95.2	4.8

\* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)**

All textbooks are good quality and have been purchased within the past 5 to 7 years. Every student has access to a textbook to take home. Every student has access to the instructional materials to be successful in their classes. Textbooks are adopted from the most recent stateapproved or local governing board approved list and the school uses a district-wide adopted textbook in English 9-12, Algebra, foundational math, Geometry, Algebra II and all science and social science courses. Textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the SBE.

West High School participates in a district-wide textbook and instructional materials adoption process that includes parents, teachers and students.

No insufficiencies exist. Every student has a book to take home for each core subject. The students also have access to the same books in every core classroom.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Kern High School District (KHSD) facilities are maintained in a manner that assures safety, cleanliness, and functionality. KHSD Safety Inspectors and the Maintenance and Operations Department conduct annual inspections as determined pursuant to a Facility Inspection Tool (FIT) developed and approved by the State of California, Office of Public School Construction (OPSC). The FIT evaluates a school facilities' good repair status with ratings of "good", "fair", or "poor." The instrument does not require capital enhancements beyond the standards to which the facility was designed and constructed. Improvements come from the District Maintenance and Operations budget and the school's Principal's budget. The District participates in the State School Deferred Maintenance Program for major repair and replacement of existing school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and/or exterior painting and floor systems. In spring of 2016, the West High stadium was renovated and in fall of 2016, West High opened the gates to the newly renovated stadium. Additionally, the solar parking project began in summer of 2016 and is still in the construction process.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: 9/6/12				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X			100% rating on most recent FIT with no deficiencies noted for gas leaks, mech/hvac, sewer
<b>Interior:</b> Interior Surfaces		X		87.39% rating on most recent FIT for interior surfaces Water stain ceiling tiles: Counseling, Lounge, Computer lab, library, RM T12, Y Work RM, RM W1, K4, K Kitchen, office, staff lounge K Offices carpet has waves, trip hazard B9 deficiency not specified.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	X

<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	X			Room M1 trip hazard at cement seam Gym trip hazard at east entry Boys locker room trip hazard asphalt / cement seam east entry Cafeteria trip hazard @ all entries at thresholds Room B9 minor deficiency noted, not specified in FIT.
<b>Overall Rating</b>	<b>Exemplary</b>	<b>Good</b>	<b>Fair</b>	<b>Poor</b>
		X		

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2015-16 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
ELA	41	30	48	51	44	48
Math	15	10	23	23	34	36

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16
Science	55	44	43	55	51	48	60	56	54

\* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	19.7	18.8	13

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	486	461	94.9	42.7
Male	243	229	94.2	40.2
Female	243	232	95.5	45.3
Black or African American	53	47	88.7	38.3
Hispanic or Latino	312	302	96.8	37.4
White	55	51	92.7	62.8
Socioeconomically Disadvantaged	416	399	95.9	41.4
English Learners	65	62	95.4	4.8
Students with Disabilities	46	39	84.8	23.1

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	459	437	95.2	29.8
Male	11	224	216	96.4	25.1
Female	11	235	221	94.0	34.4
Black or African American	11	66	63	95.5	19.1
American Indian or Alaska Native	11	--	--	--	--
Asian	11	--	--	--	--
Filipino	11	--	--	--	--
Hispanic or Latino	11	293	282	96.3	30.1
Native Hawaiian or Pacific Islander	11	--	--	--	--
White	11	60	53	88.3	41.5
Two or More Races	11	18	18	100.0	17.6
Socioeconomically Disadvantaged	11	385	366	95.1	29.8
English Learners	11	44	42	95.5	
Students with Disabilities	11	53	48	90.6	4.3
Students Receiving Migrant Education Services	11	--	--	--	--
Foster Youth	11	--	--	--	--

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2015-16 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	459	438	95.4	10.3

American Indian or Alaska Native	11	--	--	--	--
Asian	11	--	--	--	--
Filipino	11	--	--	--	--
Hispanic or Latino	11	293	282	96.3	9.6

**School Year 2015-16 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
Native Hawaiian or Pacific Islander	11	--	--	--	--
White	11	60	54	90.0	13.0
Two or More Races	11	18	18	100.0	11.8
Socioeconomically Disadvantaged	11	385	367	95.3	10.9
English Learners	11	44	42	95.5	2.4
Students with Disabilities	11	53	48	90.6	
Students Receiving Migrant Education Services	11	--	--	--	--
Foster Youth	11	--	--	--	--

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

West High School staff continues to offer a wide range of opportunities for parental and community involvement. Through our School Site Council, Parent Advisories and booster organizations, we encourage parents to play a key role in the teaching/ learning process. We promote parent involvement and actively provide information and training in education programs (PIQE and Parent Project) that enhance and strengthen parent participation in their child's academic achievement. Additionally, West High supports parent involvement by sending parents to the annual CAFE conference each year. Students, parents, and other community members are invited to numerous instructional, informational, performance-based, and celebratory events throughout the school year. Staff and students actively promote parents' attendance at school events, and we do enjoy a strong base-group of parents who are readily available. We continue to investigate additional programs that will advance our goal of improving communication with parents and encouraging participation at West. West High School and the Kern High School District have implemented a new Student Information System "Synergy" that allows students and parents to have easy access to grading and other instructional information as well as electronic connection to their teachers. The Kern High School District has also implemented a new communication system, School Messenger, that allows West High to have continuous communication and parent notification on a daily basis. In 2016, West High opened the new "Parent and Family Center" that allow parents to become involved in their student's schooling. The center serves as a location to provide resources and support for parent needs such as student academic information, parent trainings at night for FAFSA, college information and ParentVue. Additionally, West High school is currently in our second year of offering a Parent literacy course two nights a week to help increase literacy support for parents.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

West High School and the Kern High School District have comprehensive emergency and safety plans that address civil defense, disaster, school safety and crisis intervention. The district meets regularly with site administrators to coordinate school and district procedures and policies so that efforts are consistent. The school safety plan is updated yearly and site administrators attend training sessions when needed. The district also requires regular training with city and county emergency response teams. All district and site security staff members are required to attend training that specifically addresses student safety. Each site names an Emergency Response Team to implement all aspects of safety on campus. School information regarding safety plans is distributed to this team and can also be found with the Assistant Principal of Administration and the school site Police Officer. Each classroom has emergency information and evacuation maps posted. Staff and students participate in evacuation and other safety drills throughout the year. Staff reviews the safety plan and the Safety committee meets regularly with the Assistant Principal of Administration.

Date School Safety Plan last reviewed: October 2016

Suspensions and Expulsions			
School	2013-14	2014-15	2015-16
Suspensions Rate	0.0	14.1	14.0
Expulsions Rate	0.0	0.5	0.0
District	2013-14	2014-15	2015-16
Suspensions Rate	0.3	12.0	10.0
Expulsions Rate	0.0	0.2	0.2
State	2013-14	2014-15	2015-16
Suspensions Rate	4.4	3.8	3.7
Expulsions Rate	0.1	0.1	0.1

#### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2016-17 Federal Intervention Program		
Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2006-2007	2004-2005
Year in Program Improvement	Year 5	Year 3
Number of Schools Currently in Program Improvement	16	
Percent of Schools Currently in Program Improvement	84.2	

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	5
Counselor (Social/Behavioral or Career Development)	2
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	1
Psychologist	1
Social Worker	1
Nurse	
Speech/Language/Hearing Specialist	1
Resource Specialist	.5
Other	.2
Average Number of Students per Staff Member	
Academic Counselor	375

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
English	28	24	24	42	53	53	15	11	11	50	52	52
Mathematics	26	23	23	43	51	51	11	17	17	49	46	46
Science	28	24	24	23	34	34	9	2	2	40	41	41
Social Science	25	24	24	35	35	35	6	4	4	35	37	37

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

#### Professional Development provided for Teachers

In a profession with a very high attrition rate during the first two years of teaching, the Kern High School District and West High are committed to creating a workplace that is stimulating and positive for teachers and students alike. Professional development is a key aspect for the growth of our school and district. Administration encourages all teachers to participate in district workshops and inservice opportunities, as well as state and national-level conferences, which are an integral part of the broad school-wide and district-wide educational improvement plans. The goal is to improve and increase teachers' knowledge of their academic subjects and enable them to become highly qualified instructors using the information and skills made available through school partnerships, core content level meetings, and conferences. The district and/or school requires that workshops and conferences be high quality, sustained, intensive, and classroom-focused in order to have a positive and lasting impact on classroom instruction and student learning. All conferences and workshops focus on strategies for improving student academic achievement, substantially increasing the knowledge and teaching skills of instructors, or are a part of continuance in preparing teachers to meet the objectives of new Common Core State Standards based curriculum. Our staff has participated in numerous hours of staff development and professional growth activities on campus and with other schools in an effort to provide students with the opportunity to succeed. Staff development that targets instructional strategies to address under-performance, motivation and engagement is a major focus for the staff. We also seek in-service opportunities to address parent involvement and community support practices. Funding is made available for all teachers to broaden their skills through the Principal's budget as well as funding from Title I, Carl Perkins, and Migrant programs.

To improve the quality of classroom instruction and focus on student learning, the West High School administrative team continues to authorize curriculum development projects that align subject matter and assessments with state and district standards. Faculty members from each subject area work to create innovative strategies to improve student learning. Extensive effort by the faculty is directed toward developing curriculum guides, common pacing calendar, common formative and summative assessments, benchmark exams, and curricular standards within each subject area. Professional Learning Communities (PLC) for each grade or subject level were established to monitor student acquisition of state standards using the Illuminate data analysis software. PLC teams, created in previous years for each core subject, meet weekly to analyze data, adjust curriculum, develop additional assessment tools, and share instructional strategies to better serve student needs. PLC teams have collaboratively designed common formative assessments that are administered by teachers weekly throughout the year. The results of the assessments are analyzed and are ultimately what informs and adjusts instruction in the classroom. In addition, district-wide courses of study have been adopted and implemented at West High School. All teachers working within a given level are afforded the opportunity to collaborate regularly with other teachers. Summer collaboration projects are planned for each PLC. The intent is collaboration that ensures discussions and adoption of best teaching practices, implementation of standards, and ways to assess students for content mastery as well as plan intervention and enrichment strategies and materials for the next year. West High teachers have an awareness of the need to teach content and skills based curriculum that focuses on student needs and/or prior knowledge. Teachers use data to prioritize instruction, identifying the content that students must learn, creating assessments that test student knowledge, and differentiating instruction based on the results of these common assessments. As West High School begins to transition to the new Common Core State Standards professional development will be provided to help teachers and student navigate this uncertain path. The staff and students will not have significant data from standardized testing for several years and will have to rely on assessments provided by the PLC teams to measure student growth and learning. Our teachers have already begun the process of developing new assessments that better mirror the requirements that students will need to meet with these newly adopted standards. Students are also involved in this process.

Federal funds allows our teachers to participate in summer professional development and planning activities. In the summers of 2007-2009, West High teachers participated in Harvesting Teacher Brilliance (HTB), collaborating with teachers from three other schools in the district. Each summer, a keynote speaker was selected to address instructional issues affecting our schools. For example, in summer 2007, Ruby Payne's corporation, Aha!, led a session on her key work, A Framework for Understanding Poverty. In the summer of 2010, HTB was scaled back to include only West High School. The district has implemented a district wide plan, in which teachers from all schools are being trained to collaborate in Professional Learning Communities. As a result, West has modified HTB to focus on collaboration among the teachers in our own PLC teams. One of the critical needs for West is to improve achievement for underperforming sub-groups. We have examined research-based instructional practices that are effective in closing the achievement gap. One way we address the gap is to provide teacher-led in-service by our Professional Development Leaders. In addition, another key component of our school improvement action plan is the instructional component. With funding from Title I, we support a strong academic support model that includes teachers sharing best practices. In August of 2014, WHS teachers participated in HTB with a 2-day common core focus on AVID instructional strategies. We will continue our summer workshops with the new Common Core State Standards in mind. In June of 2015, the majority of WHS teachers will participate in an AVID training at West High specifically addressing AVID strands requested by the staff. In 2016, the focus of HTB was on "social and emotional" learning. Over 90 certificated and classified staff members attended HTB and learned how to better support students both emotionally and socially. During the 2015-2015 and 2015-2016 school years, 60 West High teachers attended the Google Apps for Education (GAFE) conference which has enabled our teachers to integrate instructional technology into their every day teaching. The GAFE professional development opportunities have allowed teachers and students to use chromebooks, Google forms, Google Doc, Google slides and Google classroom as part of everyday instruction.

Curriculum alignment required a pedagogical shift from teacher isolation and autonomy to a culture of collaboration. The district has also sent more than 50% of our teachers to PLC training. Research on school improvement reveals that teacher collaboration is a critical component for student achievement. The first order of business is to provide time for teachers to discuss curricular issues, student academic achievement, and instructional strategies.; a major goal was the creation of common formative assessments (CFA) to help teachers assess student learning on a regular basis. These CFAs are now modeled on the Common Core Standards to help predict student performance and adjust our instruction accordingly over the course of a school year. In the summer of 2009, our staff worked to develop common formative assessments for each core course. This work continued in the summer of 2010 with PLCs creating CFAs to be given on a weekly basis. This focus on learning has allowed our teachers to better intervene during the school day and provide needed additional instruction. In the summers of 2011, 2012, 2013, 2014, 2015 and 2016, over 80% of West High staff members have attended the AVID training to learn and concentrate on teaching strategies. AVID training models many of the Marzano strategies that are imperative to good teaching which promotes student learning. These strategies are also very important as we move into the Common Core State Standards implementation.

#### Professional Development Days

The following displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

#### Annual number of school days dedicated to staff development With At Least 180 Instructional Minutes

- 2009-10: 22
- 2010-11: 28
- 2011-12: 28
- 2012-13: 28
- 2014-15: 28
- 2015-2016: 28
- 2016-2017: 29

FY 2014-15 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$45,794	\$46,184
Mid-Range Teacher Salary	\$65,721	\$75,179
Highest Teacher Salary	\$98,181	\$96,169
Average Principal Salary (ES)		
Average Principal Salary (MS)		\$124,243
Average Principal Salary (HS)	\$122,335	\$137,939
Superintendent Salary	\$225,000	\$217,637
Percent of District Budget		
Teacher Salaries	32%	35%
Administrative Salaries	5%	5%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

### Types of Services Funded

- Supplemental instructional materials for ELD and SDAIE classrooms: Support & Training
- Professional development to support instructional strategies that enhance and accelerate learning
- Parent Involvement: Support
- Programmatic and compliance guidance: Support
- CELDT and LAS Links testing and scoring: assessment
- Title IV: Community Counselors, California Healthy Kids Survey,: Training & Support
- Title V: Pursuant to each school's innovative project (Trout, etc.): Training & Support
- Title III: Literacy program, teachers, IA's, professional development, parent involvement, supplemental instructional materials, support activities: Training & Support
- EL Coordinator period and stipends: Administration
- Bilingual Technician positions: Training & Instruction
- Instructional Assistants: Training & Instruction
- Bilingual Instructional Assistants: Training & Instruction
- ELD Inservices for all EL Teachers: Training
- KHIP Presentation: Training
- Administrative Training – Instructional Leadership, Human Resources, Perkins Application, Career Paths & Budget: Support
- Site Perkins Guideline Binders: Administration
- Gender Equity & Special Population Materials & Posters – Perkins: Support
- Career Education Materials & Posters – Career Centers & Counselors – Perkins: Support
- Coordinated Trainings with Bakersfield College – subject areas – Perkins: Support
- Articulation Meetings with Bakersfield College – Perkins: Training & Support
- Work Experience Materials & Posters: Training & Support
- Staff Development Training – Cal-SAFE: Training & Support
- Title I - Literacy program, teachers, IA's, professional development, parent involvement, supplemental instructional materials, support activities and remediation: Staff, Training, Support.
- Deferred Maintenance - Maintenance and Operation.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)			
West High School	2011-12	2013-14	2014-15
Dropout Rate	13.50	8.40	8.70
Graduation Rate	80.00	85.19	87.67
Kern High School District	2011-12	2013-14	2014-15
Dropout Rate	14.50	11.10	9.00
Graduation Rate	79.58	84.44	86.86
California	2011-12	2013-14	2014-15
Dropout Rate	11.40	11.50	10.70
Graduation Rate	80.44	80.95	82.27

FY 2014-15 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$10,229	\$3,689	\$6,540	72199
District	♦	♦	\$6,840	\$72,199
State	♦	♦	\$5,677	\$77,824

Hispanic or Latino	90	87	83
Native Hawaiian/Pacific Islander	100	93	85
White	89	90	91
Two or More Races	86	90	89
Socioeconomically Disadvantaged	100	85	66
English Learners	62	65	54
Students with Disabilities	59	55	78

### Career Technical Education Programs

The Kern High School District's (KHSD) 18 comprehensive high schools, 6 continuation schools, career centers, Bakersfield Adult School, and Regional Occupation Center (ROC) offer 33 different career pathways as outlined by the California career technical education (CTE) model curriculum standards in 15 industry sectors, groupings of interrelated occupations and broad industries. The average number of career pathways offered per school site is 5.75

The collaboration between KHSD's Career Technical Education (CTE) programs and the local community college provide a coherent sequence of courses directly related to the academic and career technical preparation of all students for employment in current and emerging occupations. KHSD has long been a leader in CTE programs which have been recognized locally and nationally.

The ROC offers 17 capstone classes to the local high school students and supports introduction, concentration, and capstone program offerings at the comprehensive sites. The Health Careers Academy offers a sample of the CTE programs that demonstrate the collaboration between the various educational institutions. Students may take introductory and concentrator classes at their regular high school campus, attend the Nursing Assistant ROC program during their senior year and obtain state certification, sequence to the Bakersfield Adult School's Licensed Vocational Nursing program, and finish at a local college as a Registered Nurse.

A strong relationship with the Kern Community College District Collaborative has strengthened the CTE programs at the secondary and post-secondary levels. Thirteen Partnership Academies through the California Department of Education (CDE) flourish at eight comprehensive sites, providing graduates with real world CTE pathway experiences, state and/or career certification, and work opportunities immediately upon graduation.

Follow up studies track the Carl Perkins CTE program completers with over 90% graduation rate for student participants. The KHSD CTE Advisory Committee, representing a reflection of local business and industry partners, meets annually to make recommendations for program improvement, as well as to discuss industry trends, training needs, and local industry demands for future employment.

CTE courses at KHSD comprehensive sites are increasing rapidly with 28 different pathways being offered at the various schools. In addition, the District continues to add resources to further improve and expand CTE offerings.

Project-Lead-The-Way, a CTE program supported by Chevron and in partnership with the KHSD, specifically supports advanced Science and Engineering programs. The KHSD also supports Virtual Enterprise programs at six of the comprehensive schools. The district receives Carl D. Perkins funds which help many of the CTE programs at the school sites.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
