## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

#### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-17)

#### School District Mission Statement

“Excellence for all- whatever it takes!”

With a vision toward the future and a commitment to excellence, Barrel Springs School, a dynamic and nurturing institution of learning, strives to provide quality educational experiences. We work to ensure that all students become responsible citizens who possess the knowledge and skills necessary to succeed in an ever-changing, multicultural, interdependent world. We believe that through creating a nurturing environment, students will develop a sense of excitement and positive self-expectation about learning to compete globally in the 21st century.

Barrel Springs is one of 27 schools in the Palmdale School District. Barrel Springs houses one full time and one part time Resource Teachers. Support services include: Speech, GATE, and a Learning Support Teacher. Itinerant support is offered in Occupational Therapy, DIS vision services, and Adaptive Physical Education. Based on our October 2015 CBED’s report, our student population includes 5% Caucasian, 74% Hispanic, 19% African American, 21 % English Language Learners, 1% Filipino, 1% two or more races, 11% Students with Disabilities, and approximately 83% socioeconomically disadvantaged students in significant sub groups. A sub group must represent 15% or more of the total school population in order to be identified as numerically “significant”.

Our enrollment for this school year is approximately 714 students and we have 25 General Education Teachers and 1 full time Resource teacher, half time Resource teacher, and full time Speech pathologist. We have a credentialed permanent teacher in every class and presently have a school-wide average class size of 30 students. Barrel Springs has been outfitted with a Computer Lab that contains 38 computers; a library with approximately 9,200 books, 8 computers, and a 4 hour Library position. Each classroom is equipped with two to three computers, a television, an elmo, and a projector. Also, five of our classrooms have Chromebooks accessible to them full time. Two classrooms in 6th grade and three classrooms in 5th grade. Barrel Springs' students will attend school for 180 days with five minimum days during the 2016-2017 school year. All of our classes grades Kinder to 6th attend school form 8:16-2:54 pm. This includes three full day Kindergarten classes and one full day Transitional Kindergarten class.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

The architecture of the building reflects strength and longevity that stands high for all to see. It houses 35 classrooms, library, computer lab, 8 work rooms and a modern multipurpose/cafeteria that is admired by all visitors. The multipurpose/cafeteria is used for many activities and includes a stage setting. To the side of the cafeteria is a covered patio that children enjoy during pleasant days. During recess children spend time on the playground equipment that supports various physical activities. Teachers and staff make every effort to keep students safe on school grounds before, during, and after the school day. We take pride in keeping our school grounds and buildings clean on a regular basis. It is our policy to maintain our classrooms and restrooms in a clean and orderly manner on a daily basis with the support of the day and evening custodial staff. Our staff monitors the hallways and restrooms on a regular basis. The district policy is to make necessary repairs as quickly as possible to keep the facilities in a safe and working condition. A work order process is in place to assist in providing these services. Barrel Springs maintains its facilities at a 98% good repair rating.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State

<b>English Language Arts/Literacy</b>	36	41	29	31	44	48
<b>Mathematics</b>	28	32	19	19	34	36

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group

<b>Students with Disabilities</b>	<b>5</b>	17	17	100.0	11.8
	<b>6</b>	13	13	100.0	7.7

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in Science by Student Group Grades Five, Eight, and Ten (School Year 2015-16)

Student Group	Total Enrollment	# of Students with Valid Scores	% of Students with Valid Scores	% of Students Proficient or Advanced
<b>All Students</b>	105	105	100.0	79.1
<b>Male</b>	48	48	100.0	81.3
<b>Female</b>	57	57	100.0	77.2

<b>Socioeconomically Disadvantaged</b>	86	86	100.0	77.9
<b>Students with Disabilities</b>	17	17	100.0	82.4

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
<b>5</b>	19.2	26	30.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

---

The school and parents share the responsibility of educating children. The school is responsible to support and involve parents at all grade levels by promoting parenting skills and home educating techniques. It is important to have two-way communication between the school and the home about school programs and student's progress, and instructional and support roles for parents at school. Parents are invited to participate in a variety of school activities such as volunteering within the school and joining Parent Teacher Association (PTA). Parents are invited to attend many annual events that focus on the status of the curriculum in classrooms. Parents may volunteer in many different ways. They may help in their child's classroom by working with individuals or small groups of students. They might help the teacher by doing clerical work at home.

Currently, Barrel Springs has an active PTA that plans a variety of activities throughout the year. Money made from the fundraisers is allocated to the classrooms in the form of field trips, classroom supplies, incentives, and the Bulldog store to assist with the Positive Behavior Support program. PTA also publishes a newsletter that keeps parents informed of school activities.

The School Site Council is an elected committee of five parents, three teachers, the secretary and the principal. The purpose of this committee is to review and assess the effectiveness of the Barrel Springs School Accountability Plan. SSC meetings are held on the fourth Thursday of each month. All parents and community members are encouraged to attend. The English Learner Advisory Committee meets on the third or fourth Thursday of each month. The role of this committee is to advise the staff and administration on programs and services for English Learning Students. All parents and community members are welcome to attend the ELAC meetings. The Parent Teacher Association is involved in school activities. The PTA engages in many fundraising activities. Regular meetings are held on the third Tuesday of each month. Parent DELAC Workshops presented by Palmdale School District are offered at Pueblo Learning Center on the third Wednesday of each month. Barrel Springs School currently has a Parent Involvement Program to provide parents with training in order to become more actively involved in the school.

Parents will be encouraged to give input into the development and revision of the school parent involvement policy through:

- SSC meetings
- ELAC meetings
- PTA meetings
- Parent Education Nights/Family Literacy and Math Day
- Annual Title I meeting
- Back-to School Night
- Formal and informal surveys
- End of year Surveys
- AAPAC Meetings
- GATE Meetings
- Parenting Partners/PIQUE
- Parent Education Nights
- Parent Academy
- Response to Intervention meetings

Barrel Springs School will hold a flexible number of meetings at varying times, and provide child care, and/or home visits, paid for with Title I funding as long as these services relate to parental involvement. To accommodate all parents, school meetings and activities will be held at a variety of times. Parent Education Nights and/or Information Nights will be held each semester focusing on how parents can help their child succeed. Parents will be surveyed as to the best and most convenient times for meetings as well as topics of interest. Babysitting services will be available.

Barrel Springs School will provide information about Title I programs to parents of participating children in a timely manner. Barrel Springs School will provide to parents of participating children a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet:

Curriculum, Intervention Programs, OARS Data Programs, District Benchmark Assessments, STAR 360 and expected proficiency levels will be explained to parents through Parent Information Nights, Back-to-School Night, Open House, Conference, Newsletters, and District Information Pamphlets and flyers.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16

<b>Expulsions</b>	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1	0.1

#### School Safety Plan (School Year 2016-17)

Barrel Springs School considers the safety of all children and adults of extreme importance. A staff committee has developed a comprehensive disaster preparedness plan that calls for regularly scheduled drills. Prior to disaster preparedness drills, a meeting is held to review the procedures that are to be followed. Staff members debrief after drills to determine areas for improvement and feedback is given by administration. Parent input is obtained on the end of the year survey. Parents may also make suggestions by calling the school and meeting with the administration. There is a safety suggestion box located in the staff lounge for teachers to place suggestions regarding safety issues.

**Professional Development (Most Recent Three Years)**

Barrel Springs is a Professional Learning Community (PLC) that has a focus on Common Core State Standards (CCSS) and 21st Century Skills. Teachers meet frequently within and across grade levels in lesson study and grade specific institutes to plan and discuss what they are doing and how to coordinate instruction. During PLCs teachers plan with their grade level on lesson plan and analyze student data. A teacher survey is taken at the end of the school year that guides site professional development and in-service selection decisions. Student data is also used to determine professional development offerings. Sites design specific professional development based on academic content standards, the California Standards for the Teaching Profession, and research-based practices.

Educational Services, Special Education, English Learners, Student Assessment and Accountability, and Teacher Support departments participate in the planning and implementation of District staff development activities. Courses are offered throughout the year on week nights and Saturdays.

Trainings are also offered during the summer months on content specific and professional areas such as CCSS, technology, Plan and Prep, Champs, Engaging with Poverty in Mind, AVID, Special Education, Footsteps to Brilliance, Imagine Learning, SIPPS, 8 mathematical Practice workshops, and intervention programs. Administration training focuses on the development of learning communities.

Conference and convention attendance, in-service meetings and staff collaboration offers additional opportunities for professional growth. Teachers observe other professionals, engage in peer coaching and work with mentors and grade level or departmental colleagues.
