### **School Description**

Mountain View Elementary School is a No Excuses University school guided by the belief that all children deserve to be educated in a way that prepares them for college. Expectations and rules at the school promote a culture of high achievement, college readiness, responsibility, respect, aspiration and outstanding effort. The school's discipline philosophy promotes a safe, civil and productive school environment providing a solid foundation on which to build an effective school. The school incorporates strategies from the Positive Behavior Intervention and Support program.

- To build self-esteem, promote achievement, and aid in the prevention of behavioral problems, students are encouraged to participate in the school's additional academic and extracurricular activities. Positive reinforcements are issued frequently to reward students for good citizenship and achievements. These include: Classroom certificates, recognition, and other awards Wildcat ROAR tickets Notes/phone call home Verbal praise for good work and behavior Prizes from ROAR prize menu which include Lunch with Principal Monthly ROAR assemblies End of grading period assemblies ST Math and AR celebrations

Leadership at Mountain View Elementary School is a responsibility shared among district administration, the principal, the staff, students and parents. Jenny T. Le is the principal of Mountain View . Ms. Le also has experience in the Baldwin Park Unified School District where she served as a Categorical Resource Teacher.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Mountain View Elementary School provides a safe, clean environment for students, staff, and volunteers. Built in 1964, with modernizations made in 2005, the school sits on 12 acres. Facilities span 531,716 square feet and include a library, cafeteria, 14 permanent classrooms, 11 portable classrooms, playground, kindergarten playground, and one computer lab. Facilities information is current as of September 2009. The facility strongly supports teaching and learning through its ample classroom and playground space, and a staff resource room.

Maintenance and Repair A scheduled maintenance program is administered by Azusa Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Cleaning Process During the day and in the evenings, two custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. Azusa Unified School District administers a scheduled maintenance program to ensure that classrooms and facilities are maintained to a degree of adequacy that provides a suitable learning environment.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students

ELA	18	20	34	35	48	48
Math	22	25	21	24	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Science	28	34	38	40	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	17.2	27.6	27.6

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	67	62	92.5	33.9
Male	31	29	93.6	34.5
Female	36	33	91.7	33.3
Hispanic or Latino	64	61	95.3	34.4
Socioeconomically Disadvantaged	61	57	93.4	36.8
English Learners	23	21	91.3	4.8
Students with Disabilities	11	8	72.7	25.0

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)

Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

Mountain View promotes a culture of collaboration among school staff, students, parents and community members and provides opportunities for learning for all stakeholders. Parents and the community participate in Back-to-School Night, Conferences, parent education and training sessions, Book Fairs, Open House, Family Math Game Day and monthly Coffee with the Principal. The school also provides parent training using the Families in School program curriculum to provide families with valuable information and helps to effectively build parent leadership at the site. The Wildcat PTO collaborates with the school Social Committee to provide families with after school events including Fall Festival, Holiday Family Night, Sweetheart Dance and a carnival. Parents also have opportunities to be involved in decision-making at the school through participation in the School Site Council and English Language Advisory Committee. Parents are also invited to represent the school and provide input at District level committee meetings. Volunteers must be fingerprinted through the District in order to attend field trips and work with students on a regular basis.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The safety of students and staff is Mountain View School's primary concern. The school participates in the Positive Intervention and Support program. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Annually, the school practices a complete earthquake drill at least once, which includes an entire school evacuation. All visitors must sign in at the front office, wear identification tags while on the school grounds and sign out upon departure. Teachers and administration are on duty during recess, before and after school, and noon aides are on duty during lunch to ensure the safety of all students. Teachers, administration and noon aides wear a brightly colored safety vest when on duty. Teachers, staff and administrators are trained and practice lock down procedures that, in an emergency, can secure the entire campus and ensure safety quickly.

A Comprehensive School Safety Plan was developed by the Safe School Committee in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include the following: monthly facility safety inspections; child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. The Safe School Committee evaluates the plan annually and updates the plan as needed.

## Professional Development provided for Teachers

The district annually holds professional development days when teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. The primary areas of focus for professional learning in the past last three years have been in the areas of supporting teachers as it relates to the adoption of new math and ELA/ELD curriculum, as well as professional learning on the new mathematics and ELA/ELD Frameworks. Student achievement data continues to be the determining factor in the selection of professional learning topics. Professional learning is developed and facilitated by district staff, Teachers on Special Assignment, and outside consultants and coaches who specialize in English Language Development pedagogy, as well as consultants and coaches who specialize in mathematics pedagogy. Professional learning is structured in job-embedded workshops and professional learning communities which include collaborative lesson planning, lesson study, classroom observations and coaching support, and student work/data analysis. Professional learning for all teachers includes strategies and pedagogy to support all learners access rigorous, grade-level curriculum. All professional learning includes a special emphasis supporting the development of English learners' development of academic language and literacy through instructional strategies that included Sheltered Instruction Observation Protocol (SIOP). In the 2015-2016, 2016-2017, and 2017-2018, there were three district-wide professional learning days each year. Elementary teachers received 2 additional days in 2015-2016. In 2016-2017, each elementary grade level teacher received 2 days of ELA professional learning on new curriculum and instructional support; 6 days of mathematics curricular professional learning and instructional support. In 2017-2018, elementary teachers received 4 additional ELA professional learning days in support of the new ELA/ELD curriculum. Elementary and secondary ELA program 4 and 5 teachers received an additional 4 days of professional learning in support of new curriculum.

### Types of Services Funded

In addition to general state funding, Azusa Unified School District receives state and federal funding for the following categorical, special education and support these site programs: • Gifted and Talented Pupils • Special Education • Home-to-School Transportation • School Improvement Program • Instructional Materials • Staff Development • Class Size Reduction • Peer Assistance and Review • Educational Technology • After School Intervention

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
