School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

The mission of Olympian High School, a leading school in the State of California, is to guarantee that each graduate will qualify and be academically ready for success in a four year college or university, through a coherent system of learning distinguished by:

- A diverse set of learning experiences that will meet the academic and career needs of all students
- A school-wide Academic Literacy Plan (a common set of college readiness skills and habits of mind)
- A systematic network of student support
- A student-centered learning community that promotes leadership, involvement, integrity and respect

To support this mission, a coherent systematic set of frameworks have been developed to ensure the school's curriculum, instruction and assessment programs are aligned. Primary to this outcome is the school-wide Academic Literacy Plan. In this effort, each teacher is contributing to the students' acquisition of a set of vertical thinking skills, as well as the reading and writing skills students will need to be successful in college and in their future. Additionally, a safe and secure learning environment is valued and protected and a differentiated support system is in place to assist the academic achievement of each student. Faculty and staff have been carefully selected to work within this systematic approach and help each student reach their full potential. New faculty that joins Olympian participates in Eagle Camp to ensure that the instructional practices are systematic using the Academic Literacy Plan daily. We have continued to build our traditions, successes and to support and fulfill the promise of a bright future for all students. Students in the Sweetwater Union High School District are expected to master state and district standards which will prepare them to meet the challenges of the 21st century.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: August 2017

Textbooks and instructional materials for all content areas were adopted and approved by the Sweetwater Union High School District (SUHSD) Board of Education. SUHSD continues to transition to the California State Standards/Common Core State Standards. In alignment with CA State Standards/Common Core and state adoption process, SUHSD adopted Math textbooks in 2014

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Textbooks and instructional materials were adopted consistent with the textbook cycle 2002-03. Grades 9-12 texts were approved by the Board of Trustees as being standards-based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office, at the district office, or on the Internet at <http://www.opsc.dgs.ca.gov/>.

Age of School Buildings

The school opened in August 2006 with an administration building, ASB, 35 classrooms, no gym/PE facilities, no library, and no cafeteria.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The school administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

For the 2015-16 school year, the district has budgeted \$3,533,950 for the deferred maintenance program. This represents 1% of the district's general fund budget.

Deferred Maintenance Projects

The district's complete deferred maintenance plan is available at the district office.

Modernization/Expansion (New Construction on Existing Campus) Projects

For the 2017-18 school year, there were six portable classrooms installed. The track and turf field are scheduled to be replaced before the 2018-19 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	84	80	53	53	48	48
Mathematics (grades 3-8 and 11)	49	44	31	32	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	684	668	97.66	79.91
Male	355	348	98.03	73.2
Female	329	320	97.26	87.19
Black or African American	56	55	98.21	60

English Learners	76	71	93.42	43.66
Students with Disabilities	52	48	92.31	37.5
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Students with Disabilities	52	48	92.31	6.25
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

Career and Technical Education is committed to provide students with challenging opportunities in which they can expand their academic content areas while preparing them for careers in a multitude of fields. Olympian High School offers the following programs: Careers in Arts, Media and Entertainment, and Careers in Sports Medicine and medical technology.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	4
% of pupils completing a CTE program and earning a high school diploma	1%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	29%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	98.66
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	64.68

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	6.4	47.7	40.3

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

A major emphasis at Olympian High School is to build the home-school partnership and embrace parents as full partners in the educational learning of their students. One of the primary goals of the school is to open access to the school's system and provide timely, open communication to all parents. To this end, Olympian High School produces a quarterly newsletter (The Eagle's Eye) to keep information, dates and events current in every home. The newsletters are posted on the website. Many of the events are open to the community and parent participation is encouraged. Every year Olympian invites parents to Parent Visitation Day. This year it is scheduled for Friday, February 2, 2018. Every year PTSO hosts Coffee with Principal. Six (6) have been scheduled throughout the 17-18 school year, half are in the morning and half are in the afternoon to accommodate the busy schedules of parents.

Parents are invited and welcome to be on campus and consult with staff at any time. Each semester the Counseling and Administrative teams host a parent training series called Parenting Teens Workshop and Building Student Success. More formal opportunities are also available to serve on the PTSO, SSC, ELAC and be involved in any of our active parent booster organizations (academic decathlon, band, football or baseball). In addition, we ask that parents participate in our grade-level activities including the Freshman Student-Led Conference, Sophomore College and Career Readiness Series, Junior Portfolio and Common Senior Experience.

We believe that when our school has a strong working relationship with our parents and community, student achievement increases. We pledge to promote and support this core value at Olympian High School.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

School Safety Plan (School Year 2017-18)

Each year, Sweetwater schools review and update their Comprehensive School Safety Plans. The plan is submitted to the Superintendent each year. Staff orientation and training must be completed by October 30 each year. Disaster and evacuation drills are scheduled periodically throughout the school year.

Key Elements of the Plan:

- Review and revise Site Safety Binder (to be distributed to all school staff)
- Train all staff on emergency procedures during a 3 day inservice or during first staff meeting
- Comply with 3 in 1 safety drills
- Assessment of current crime in school
- Identify strategies and programs that provide safety on campus

Types of Services Funded (Fiscal Year 2016-17)

Olympian High School funds a menu of services to support each student's academic achievement and social well-being. ELA/Math workshops are provided to 9th and 10th grade students scoring below proficient on ELA/math assessments (including but not limited to: District Performance Tasks, District Finals, SBAC, Summative Assessments, etc.) or who have other identifying characteristics in order to increase the students' proficiency level. OHS also has an After School Activities Program (ASAP) that provides students a variety of activities including Dance, Digital Photo/Animation, Drivers Education, Sports and Academic Tutoring. The Attendance Coordinator works with students and support staff to avoid chronic absenteeism, place students on independent study contracts and refers students to the School Attendance Review Board. In addition, the Coordinated Intervention Specialist implements progress monitoring and interventions to assist all students in reaching mastery of standards, especially EL, LI, FY, HY, and SWD.

Professional Development (Most Recent Three Years)

For the past three school years, targeted professional development activities to support district initiatives included restorative practices and quality first instruction. Staff also participated in District Cohort and Zone training in all subject areas.

All new staff participate in a two day Eagle Camp which provides in-depth professional training on using the Academic Literacy Plan and college readiness skills to teach the content. Staff also reads current research articles on rigor and participates in group activities to strengthen their instructional practices.

All departments have regularly scheduled PLC's every Monday. During PLCs, staff share best practices, develop common lessons, daily learning targets and analyze student data to inform instruction and assessment practices. Also a portion (30-40 minutes) of monthly staff meetings (11 scheduled) are used as professional development. All staff members have Professional Development Binders to keep current student work, reflections, and data. Learning Walks took the place of the monthly Focus Walks with the intentional purpose of including at least 10 teachers to participate in the classroom visitations.

Teachers also have the opportunity to participate in four learning walks per academic year.
