## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2017-18)**

Rancho del Rey Middle School follows a modified year-round schedule. Opened in July 1997, we now serve approximately 1,720 7th and 8th grade students from the communities of Rancho del Rey and Otay Ranch in eastern Chula Vista, California. In May 2001, 2007 and again in 2011, Rancho del Rey Middle School received the honor of being recognized as a “California Distinguished School.” Rancho Del Rey was also a recipient of the Gold Ribbon School award in 2017.

Quality teaching and learning is Rancho del Rey’s number-one priority. We hold our students to both high academic and citizenship standards. Our administrators, teachers, counselors, and support staff base all decisions on what’s best for our students. Special emphasis is placed on a rigorous academic curriculum in all subject areas at Rancho del Rey Middle School. Students are heterogeneously grouped and are able to select accelerated courses in English, Science, and Social Science. Our curriculum is standards-driven and project-oriented, and students have opportunities to use a variety of learning channels to help them be successful. Our Resource Specialist Program provides the opportunity for special education learners to be mainstreamed with support in the core subject areas. English Learners also are supported within a mainstream setting through Structured English Immersion (SEI) classes and English Language Development (ELD) courses. In addition, Rancho del Rey has a Spanish-English Dual Immersion Program that is offered to students who want to become biliterate and bicultural.

Rancho del Rey Middle School is dedicated to the personal well-being and academic excellence of each member of our learning community. Together we practice and celebrate both pride in ourselves and respect for others. Students in the Sweetwater Union High School District are expected to master state and district standards which will prepare them to meet the challenges of college and career.

Mission Statement - An innovative learning community that embraces a multi-cultural perspective, that ensures that all students achieve academic and personal success that empowers them as life-long learners.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

### School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office, at the district office, or on the Internet at <http://www.opsc.dgs.ca.gov/>.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment

**Age of School Buildings**

This school has 25 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 1998. Additional classrooms were constructed in 1999.

The school opened in 1998 with 12 classrooms and a multipurpose room.

**Maintenance and Repair**

District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

**Deferred Maintenance Budget**

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

For the 2015-16 school year, the district has budgeted \$3,533,950 for the deferred maintenance program. This represents 1% of the district's general fund budget.

**Deferred Maintenance Projects**

The district's complete deferred maintenance plan is available at the district office.

**Modernization/Expansion (New Construction on Existing Campus) Projects**

For the 2015-16 school year, there are no modernization / expansion or new construction projects planned.

For the 2015-16 school year, there are no modernization / expansion or new construction projects planned.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	65	66	53	53	48	48
Mathematics (grades 3-8 and 11)	46	48	31	32	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1,799	1,763	98	66.23
Male	872	853	97.82	58.38
Female	927	910	98.17	73.6
Black or African American	82	82	100	60.98
American Indian or Alaska Native	--	--	--	--
Asian	68	61	89.71	90.16
Filipino	351	349	99.43	80.52
Hispanic or Latino	983	961	97.76	57.81
Native Hawaiian or Pacific Islander	--	--	--	--
White	131	127	96.95	80.31
Two or More Races	174	173	99.43	68.21
Socioeconomically Disadvantaged	477	471	98.74	51.17

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>English Learners</b>	416	398	95.67	48.36
<b>Students with Disabilities</b>	155	152	98.06	17.76

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	1,799	1,781	99	47.92

<b>Socioeconomically Disadvantaged</b>	477	474	99.37	31.22
<b>English Learners</b>	416	410	98.56	31.54
<b>Students with Disabilities</b>	155	152	98.06	11.26

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
<b>Science (grades 5, 8, and 10)</b>	75	64	53	49	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2016-17)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
<b>7</b>	13.9	29.7	39.2

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2017-18)**

Research shows a direct correlation between parent involvement and student academic success. Therefore, it is our belief at Rancho del Rey Middle School that parents must become partners in the education of their children. Here at Rancho del Rey we have made it our mission to equip parents with the tools they need in order to participate in the education of their children whether or not they can physically volunteer at school.

At Rancho del Rey we have worked with our community and our parent groups to develop a Parent Involvement Policy and School-Family Compact that is reflective of our commitment to our students' academic success. In an effort to provide parents and our community with relevant school information, Rancho del Rey uses a variety of ways to connect and engage with our parents. Administration, teachers, counselors, and support staff communicate regularly with parents through automated and personal phone calls, email, correspondences, online grading programs, parent meetings and events, new student orientation, Open House, Back to School Night, coffee with the principal, our monthly Royal Newsletter, and through our school website.

In addition, there are many organized opportunities for parents to become involved at Rancho del Rey. Our site has a very active PTSSO which hosts a variety of events throughout the school year for parents. We have ELAC and Dual Immersion parent groups as well as band parent booster clubs which conduct a variety of fund raising activities during the year to enrich their respective programs. Parents serve on our school site council (SSC), English Language Advisory Council (ELAC), District Parent Advisory Council, (DPAC), and District English Language Advisory Council (DELAC). Parents are also encouraged to volunteer on site to work in the office and/or the library or to become a long term volunteer working with individual classroom teachers.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
<b>Suspensions</b>	5.0	2.0	2.5	5.7	4.6	4.2	3.8	3.7	3.6
<b>Expulsions</b>	0.0	0.0	0.1	0.1	0.0	0.0	0.1	0.1	0.1

### School Safety Plan (School Year 2017-18)

Each year, Sweetwater schools review and update their Comprehensive School Safety Plan. Disaster and evacuation drills are scheduled periodically throughout the school year. Rancho del Rey Middle School's safety plan is updated yearly. It has been presented to our School Site Council, our PTSSO and our faculty during the first quarter of the school year. The safety committee meets once a month to review and update the plan as needed. The site safety team debriefs on the scheduled drills and actively seeks to utilize best practices recommended by our district Student Services Department.

Key Elements of the Plan:

- Develop Site Safety Binder (to be distributed to all school staff)
- Train all staff on emergency procedures.
- Comply with all required safety drills.
- Assess all safety concerns in a timely manner and collaborate with our First Responders as needed.
- Identify strategies and programs that promote safety on campus for students and staff.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

Indicator	School	District
<b>Program Improvement Status</b>		In PI
<b>First Year of Program Improvement</b>		2008-2009
<b>Year in Program Improvement*</b>		Year 3

State	N/A	N/A	\$6,574	\$82,770
Percent Difference: School Site and State	N/A	N/A		

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2016-17)

General Operations - services, materials, and support to the general education program.

Categorical Funding - Economic Impact Aid/State Compensatory Education (EIA/SCE)- Help educationally disadvantaged students succeed in the regular program. Economic Impact Aid (EIA) supplemental funds, kindergarten through grade twelve, to support additional programs and services for compensatory education services for educationally disadvantaged students.

Economic Impact Aid/English Learner Program (EIA/LEP)- Develop fluency in English and academic proficiency of English learners. EIA/LEP provides supplemental funds to support additional programs and services for English learners.

Advancement Via Individual Determination (AVID)- AVID is a college preparatory program for students who are often economically disadvantaged and underachieving. It provides support for secondary students to succeed in rigorous curricula, and increase their opportunities to enroll in four-year colleges.

Special Education- Students with special needs resulting from a handicapping condition or achievement levels significantly below those of the majority of students have equal access to the core curriculum provided for all students. The special services received provide support and extension activities which enhance their participation in mainstream classes.

Coordinated Intervention Services- Combined Tier III funding established a school based intervention specialist working with academically at-risk, English Learner and Special Education students.

Support to School Program- Funding has been assigned to each middle and each high school. This funding is to provide support classes before, during and after school in the areas of language arts, reading and math. Middle schools will be allowed to use these funds for credit recovery.

Special Projects - Monies from agencies (e.g., federal state) earmarked for specific services. Rancho del Rey Middle School presently offers a dual language program promoting biliteracy and biculturalism.

**Teacher and Administrative Salaries (Fiscal Year 2015-16)**

**Professional Development (Most Recent Three Years)**

For the 2015-16 school year, Rancho del Rey Middle School incorporated the use of school site curriculum specialist in each of the four core subject areas. The curriculum specialist helped support our professional development at our site through PLC's and three cohort trainings through-out the school year. During cohort trainings, teachers focus on proper implementation of the common core state standards and NGSS. In weekly Friday PLC's, the curriculum specialist work with departments on creating formative assessments, incorporating technology with the use of iPads, sharing best practices, creating lessons aligned to the common core, and using data to inform instruction. Teachers participated in department pull out days and lesson studies in order to refine and learn new teaching strategies that they can incorporate into their classrooms. A variety of conferences and trainings were attended by our staff that included: AVID summer institute, College Preparatory Mathematics, Common Core and the Holocaust/Civil Rights Movement, iPad Summit San Diego, CAFE, Para-Educator Conference, Biliteracy Symposium, and Social Science Promising Practices in the Common Core World.

For the 2016-17 school year, Rancho del Rey Middle School incorporated the use of school site curriculum specialist in each of the four core subject areas. The curriculum specialists help support our professional development at our site through Professional Learning Communities (PLC's) and three cohort trainings throughout the school year. During cohort trainings, teachers focus on proper implementation of the Common Core State Standards and Next Generation Science Standards. In weekly Friday PLC's, the curriculum specialist work with departments on creating formative assessments, incorporating technology with the use of iPads, sharing best practices, creating lessons aligned to the common core, and using data to inform instruction. Teachers participate in department pull out days and lesson studies in order to refine and learn new teaching strategies that they can incorporate into their classrooms. Two days of Sheltered English Immersion (SEI) training is provided to teachers who teach SEI classes in order to support our English Learners. A variety of conferences and trainings will be attended by our staff that include: AVID summer institute, Institute for Conservation Research, Youth Mental Health First Aid, Google Tools and Apps, CABE, Biliteracy Symposium, and Social Science Promising Practices in the Common Core World.

For the 2017-18 school year Rancho Del Rey Middle has continued utilizing our site curriculum specialist in the areas of math, science, English and social science to support our core departments with an emphasis on our LCAP goal one of quality first instruction. We recognize the importance of providing each student with a quality education that is rigorous and accessible given the child's needs. We are also focusing on maintaining a safe and nurturing school environment in and out of the classroom to maximize a student's sense of belonging to school. Our Associated Student Body (ASB), our choice of electives and our school clubs provide our students with the opportunity to explore their areas of interest and passion. We also emphasize to our students the importance of following the Royal Way- of respecting others, yourself and learning. Our dual focus of providing our students with a rigorous education as well as providing them with a positive school experience is the key to our success as one of the top performing schools in the Sweetwater Union High School District. Finally we recognize the importance of our partnership with our parents in supporting all of our students so they can maximize their potential thru middle school and beyond.
