## California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

 Principal, Upper Lake High

### About Our School

Upper Lake High School was founded in the town of Upper Lake, California in 1916. The Upper Lake Union High School District is comprised of ULHS, a comprehensive high school, Clover Valley High School, the districts' continuation high school, the Community Day School as well as an adult education program.

Upper Lake High School District will become a Unified K-12 District starting July 1 2016. The Unification was approved by the California State Board of Education in November, 2015.

**Professional Development**

- ULHS exists in a rural agricultural area, which limits access to many development opportunities afforded to teachers in urban areas. We therefore, have set aside a special period each Wednesday afternoon for collaborative planning and staff development. We also offer online access for teachers to connect with distance learning opportunities. Our current project is to enhance student achievement on standardized tests.
- For the previous three school years, we have dedicated two days each year to staff and professional development. Beginning in 2015/16 there will be 5 days of staff development.
